

Inverter vision one: installazione monofase solo fotovoltaico

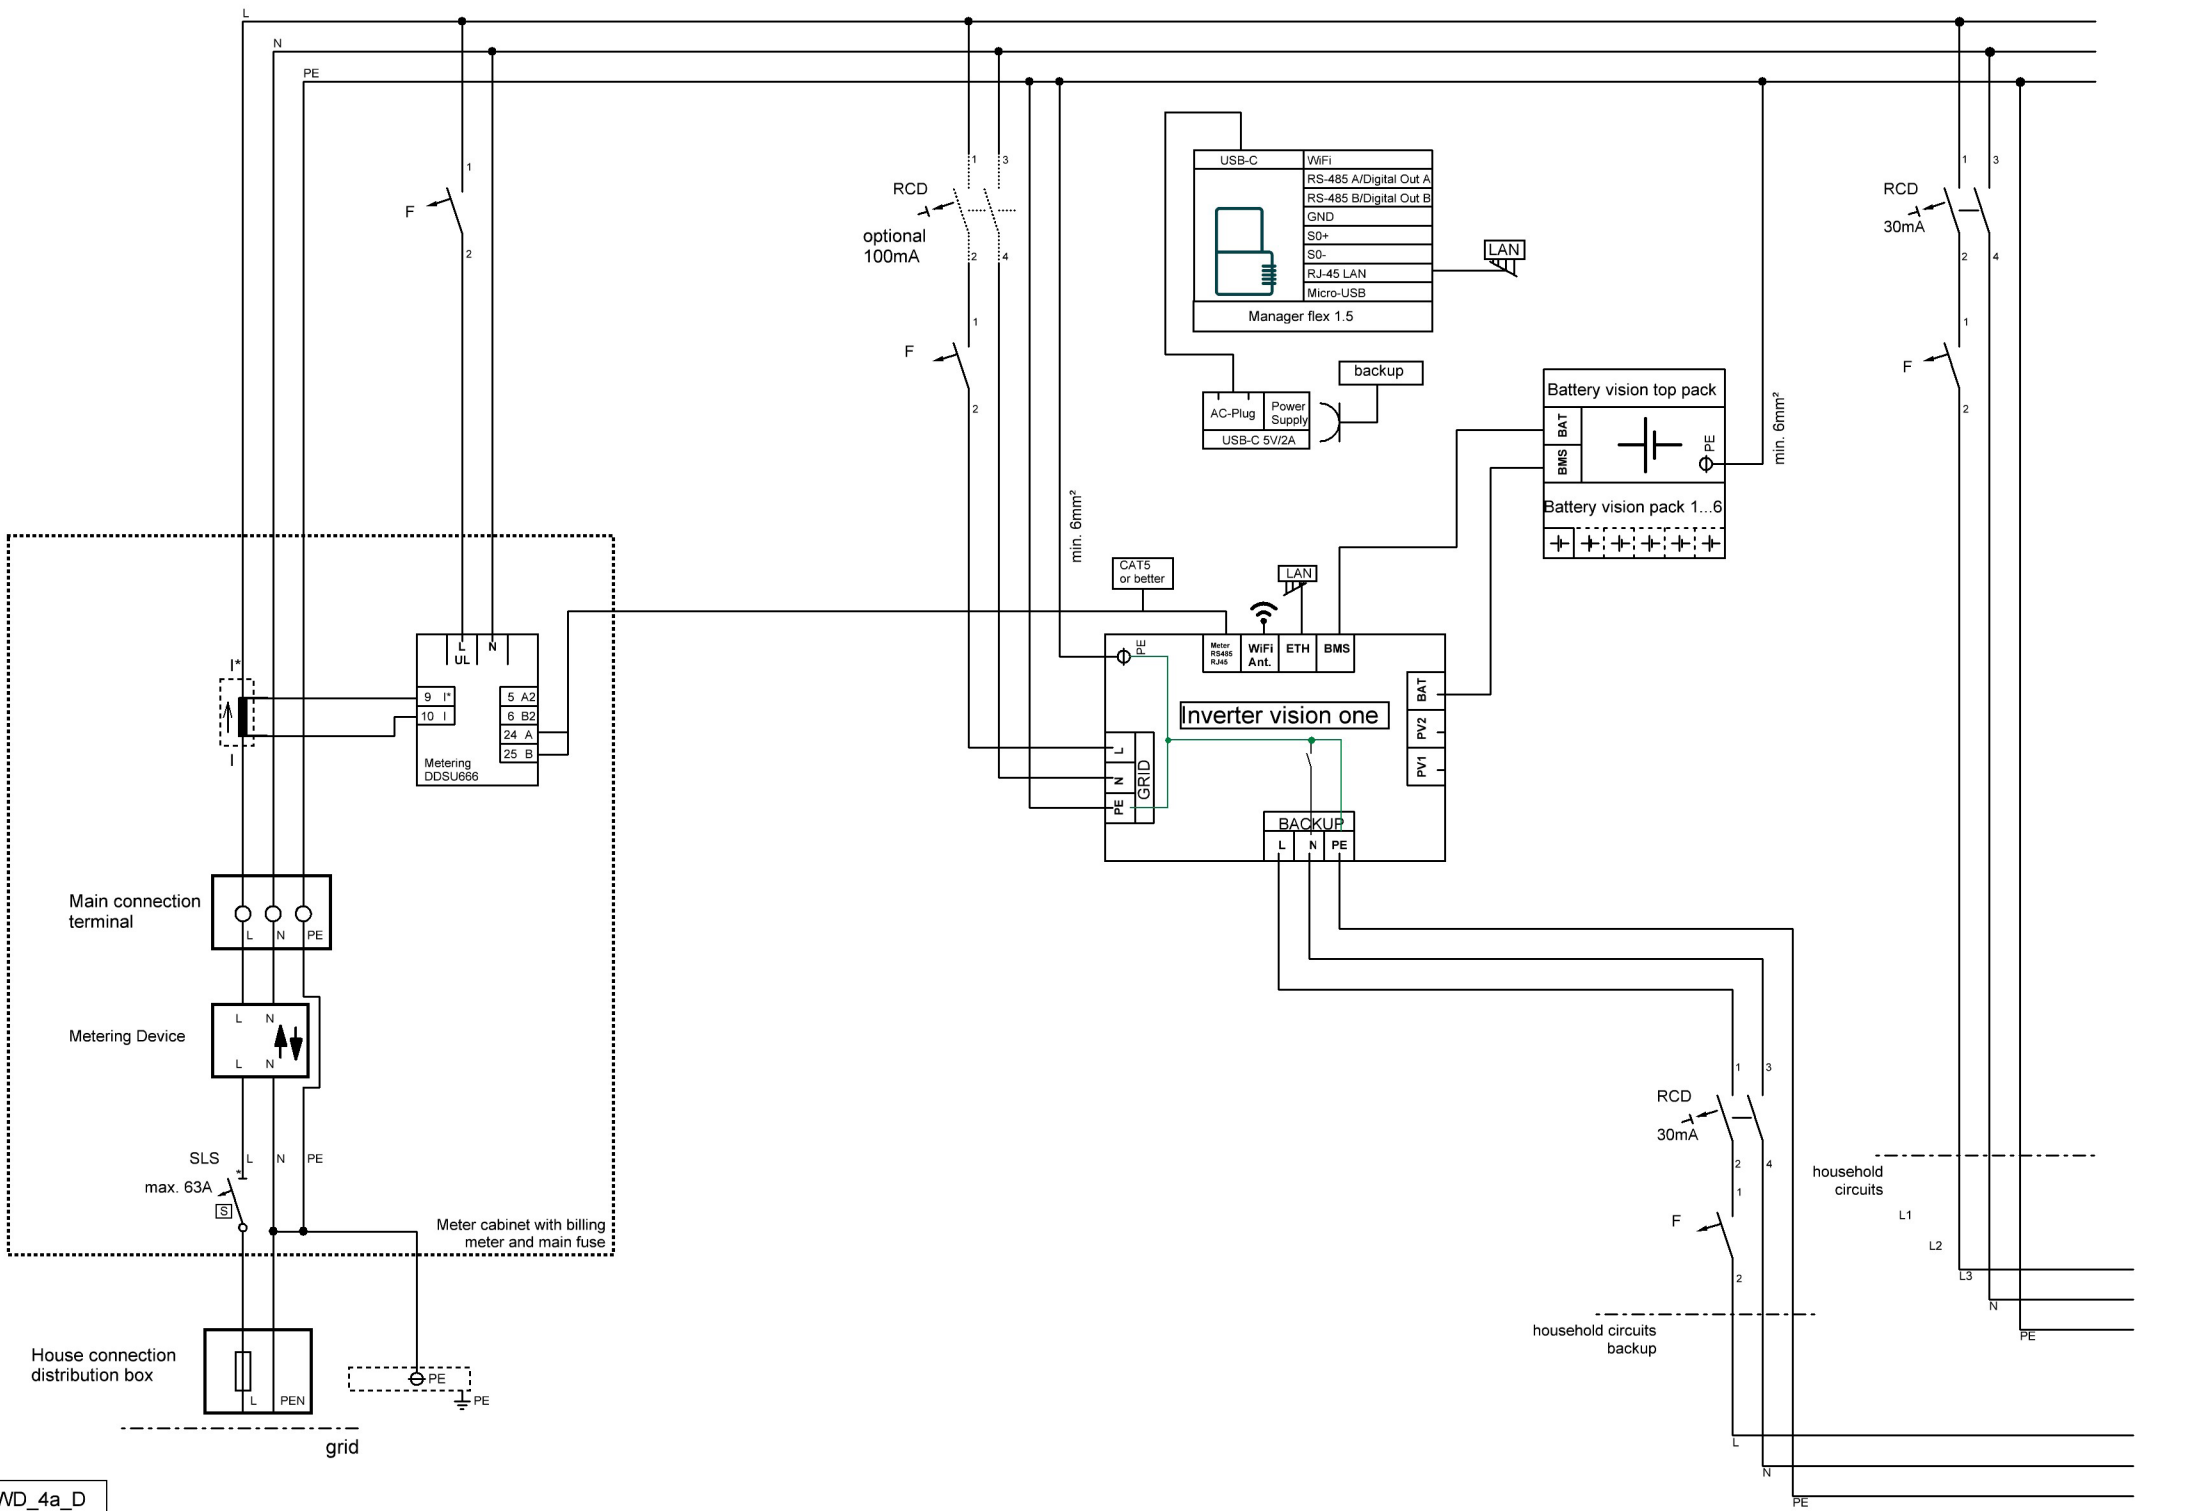

Inverter vision one: installazione monofase solo accumulo in AC

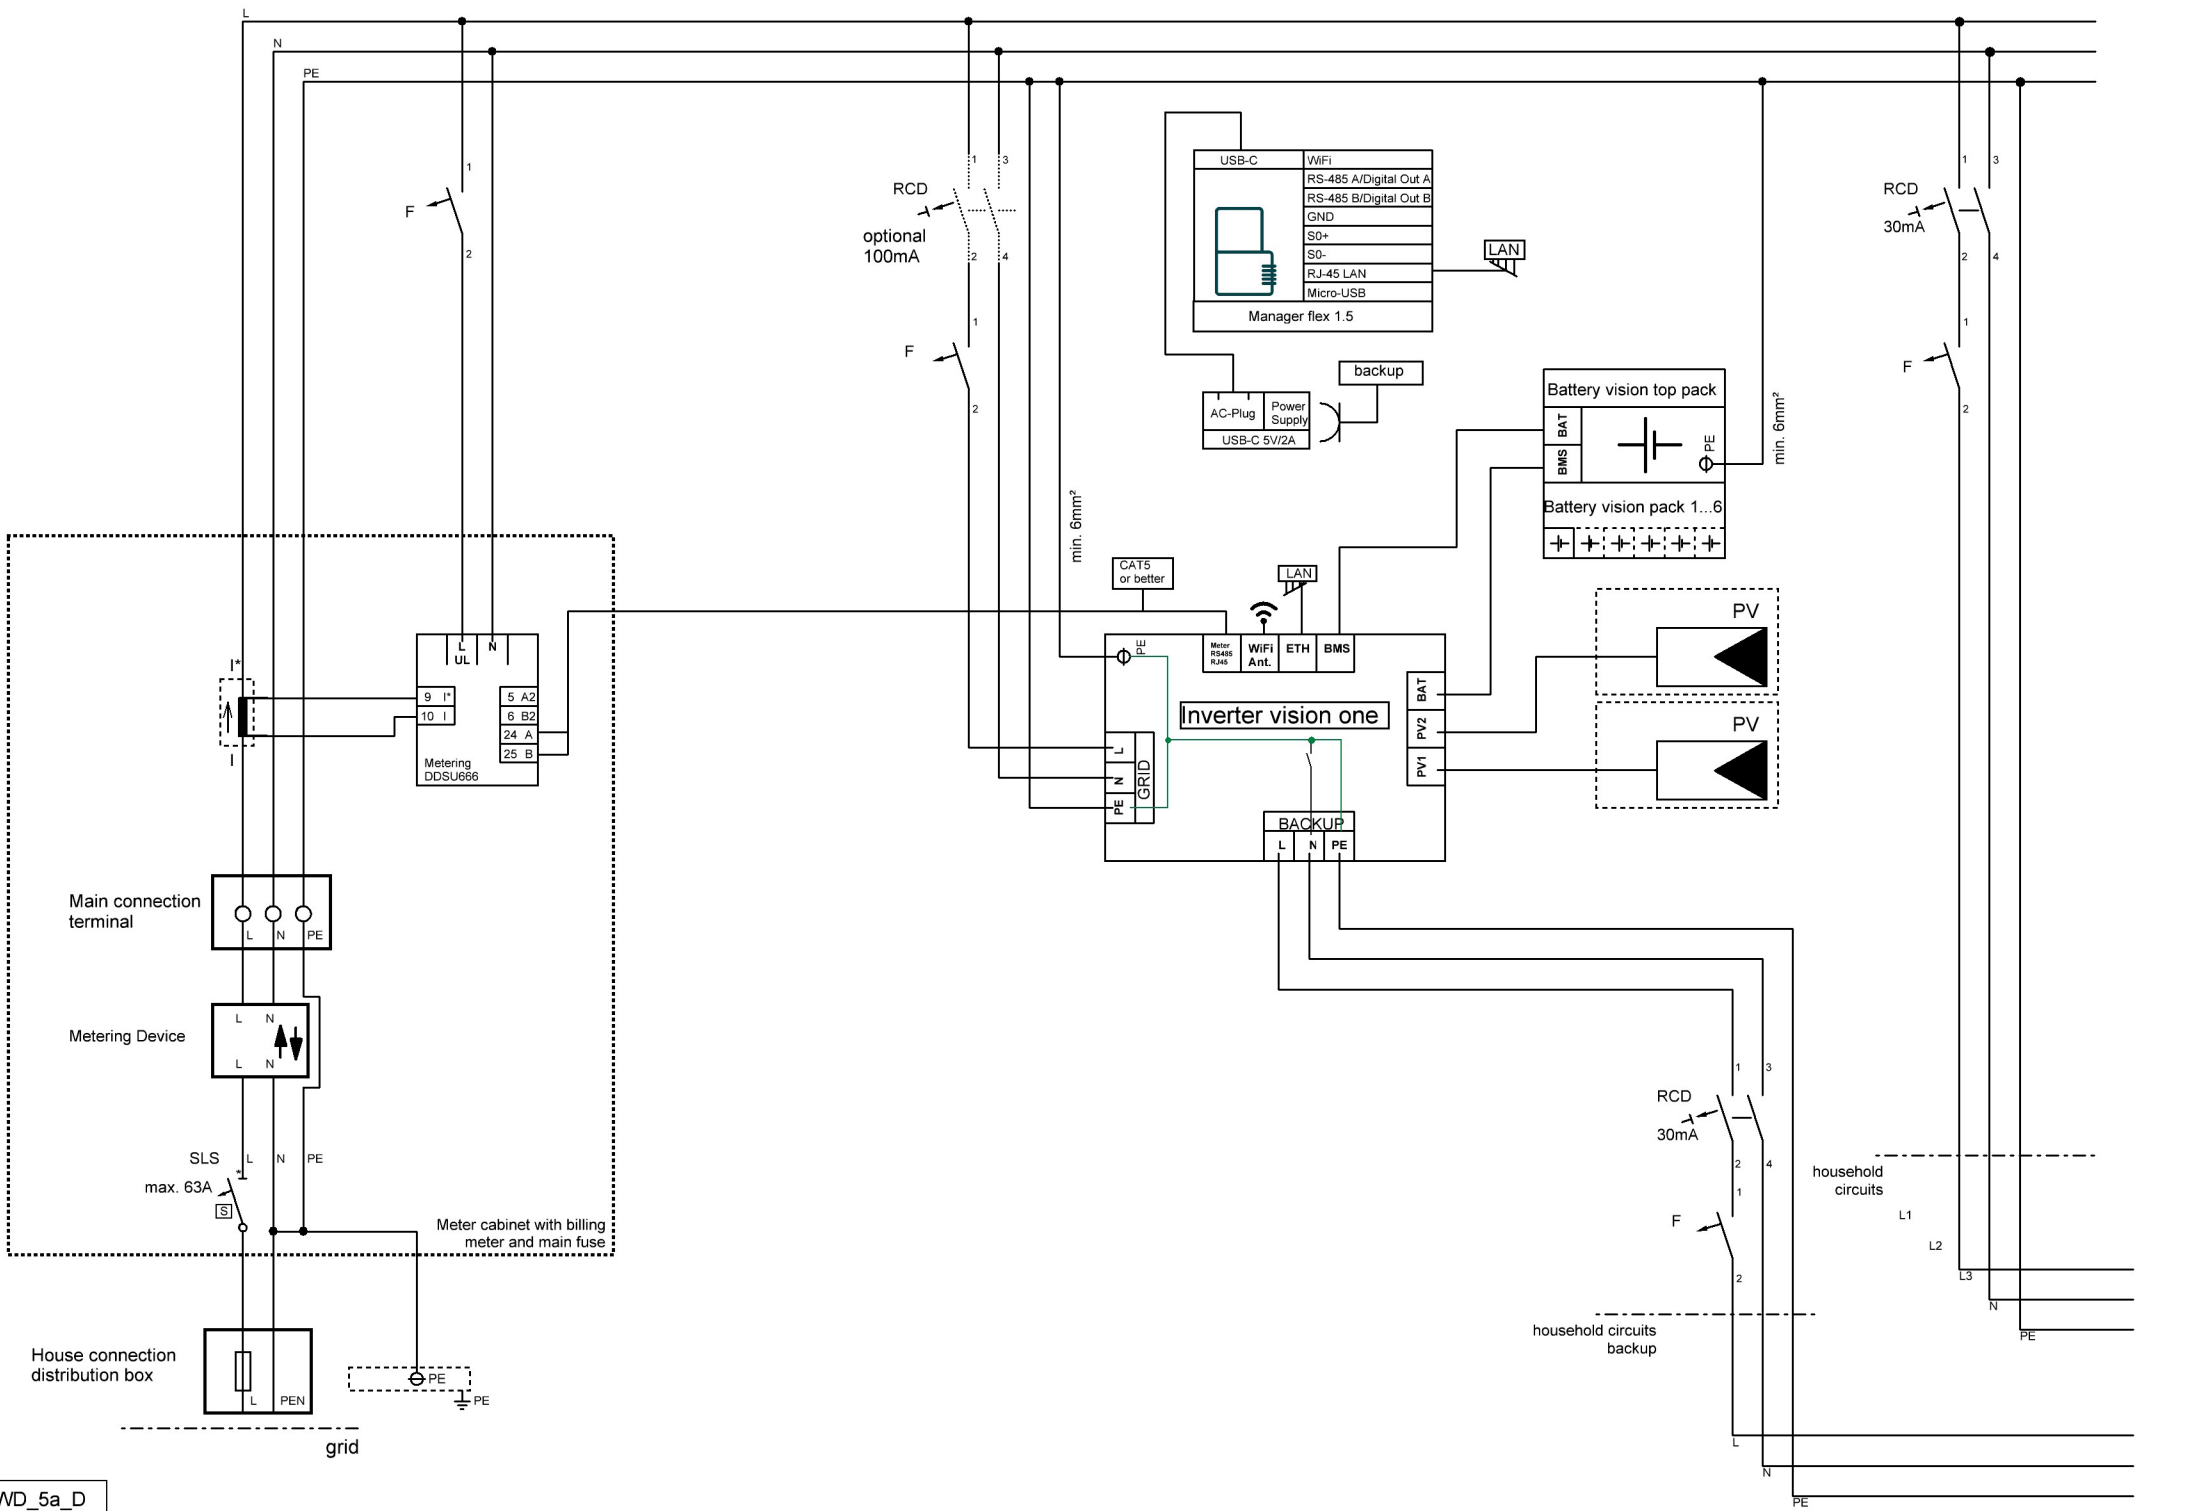

Inverter vision one: installazione monofase, fotovoltaico e accumulo

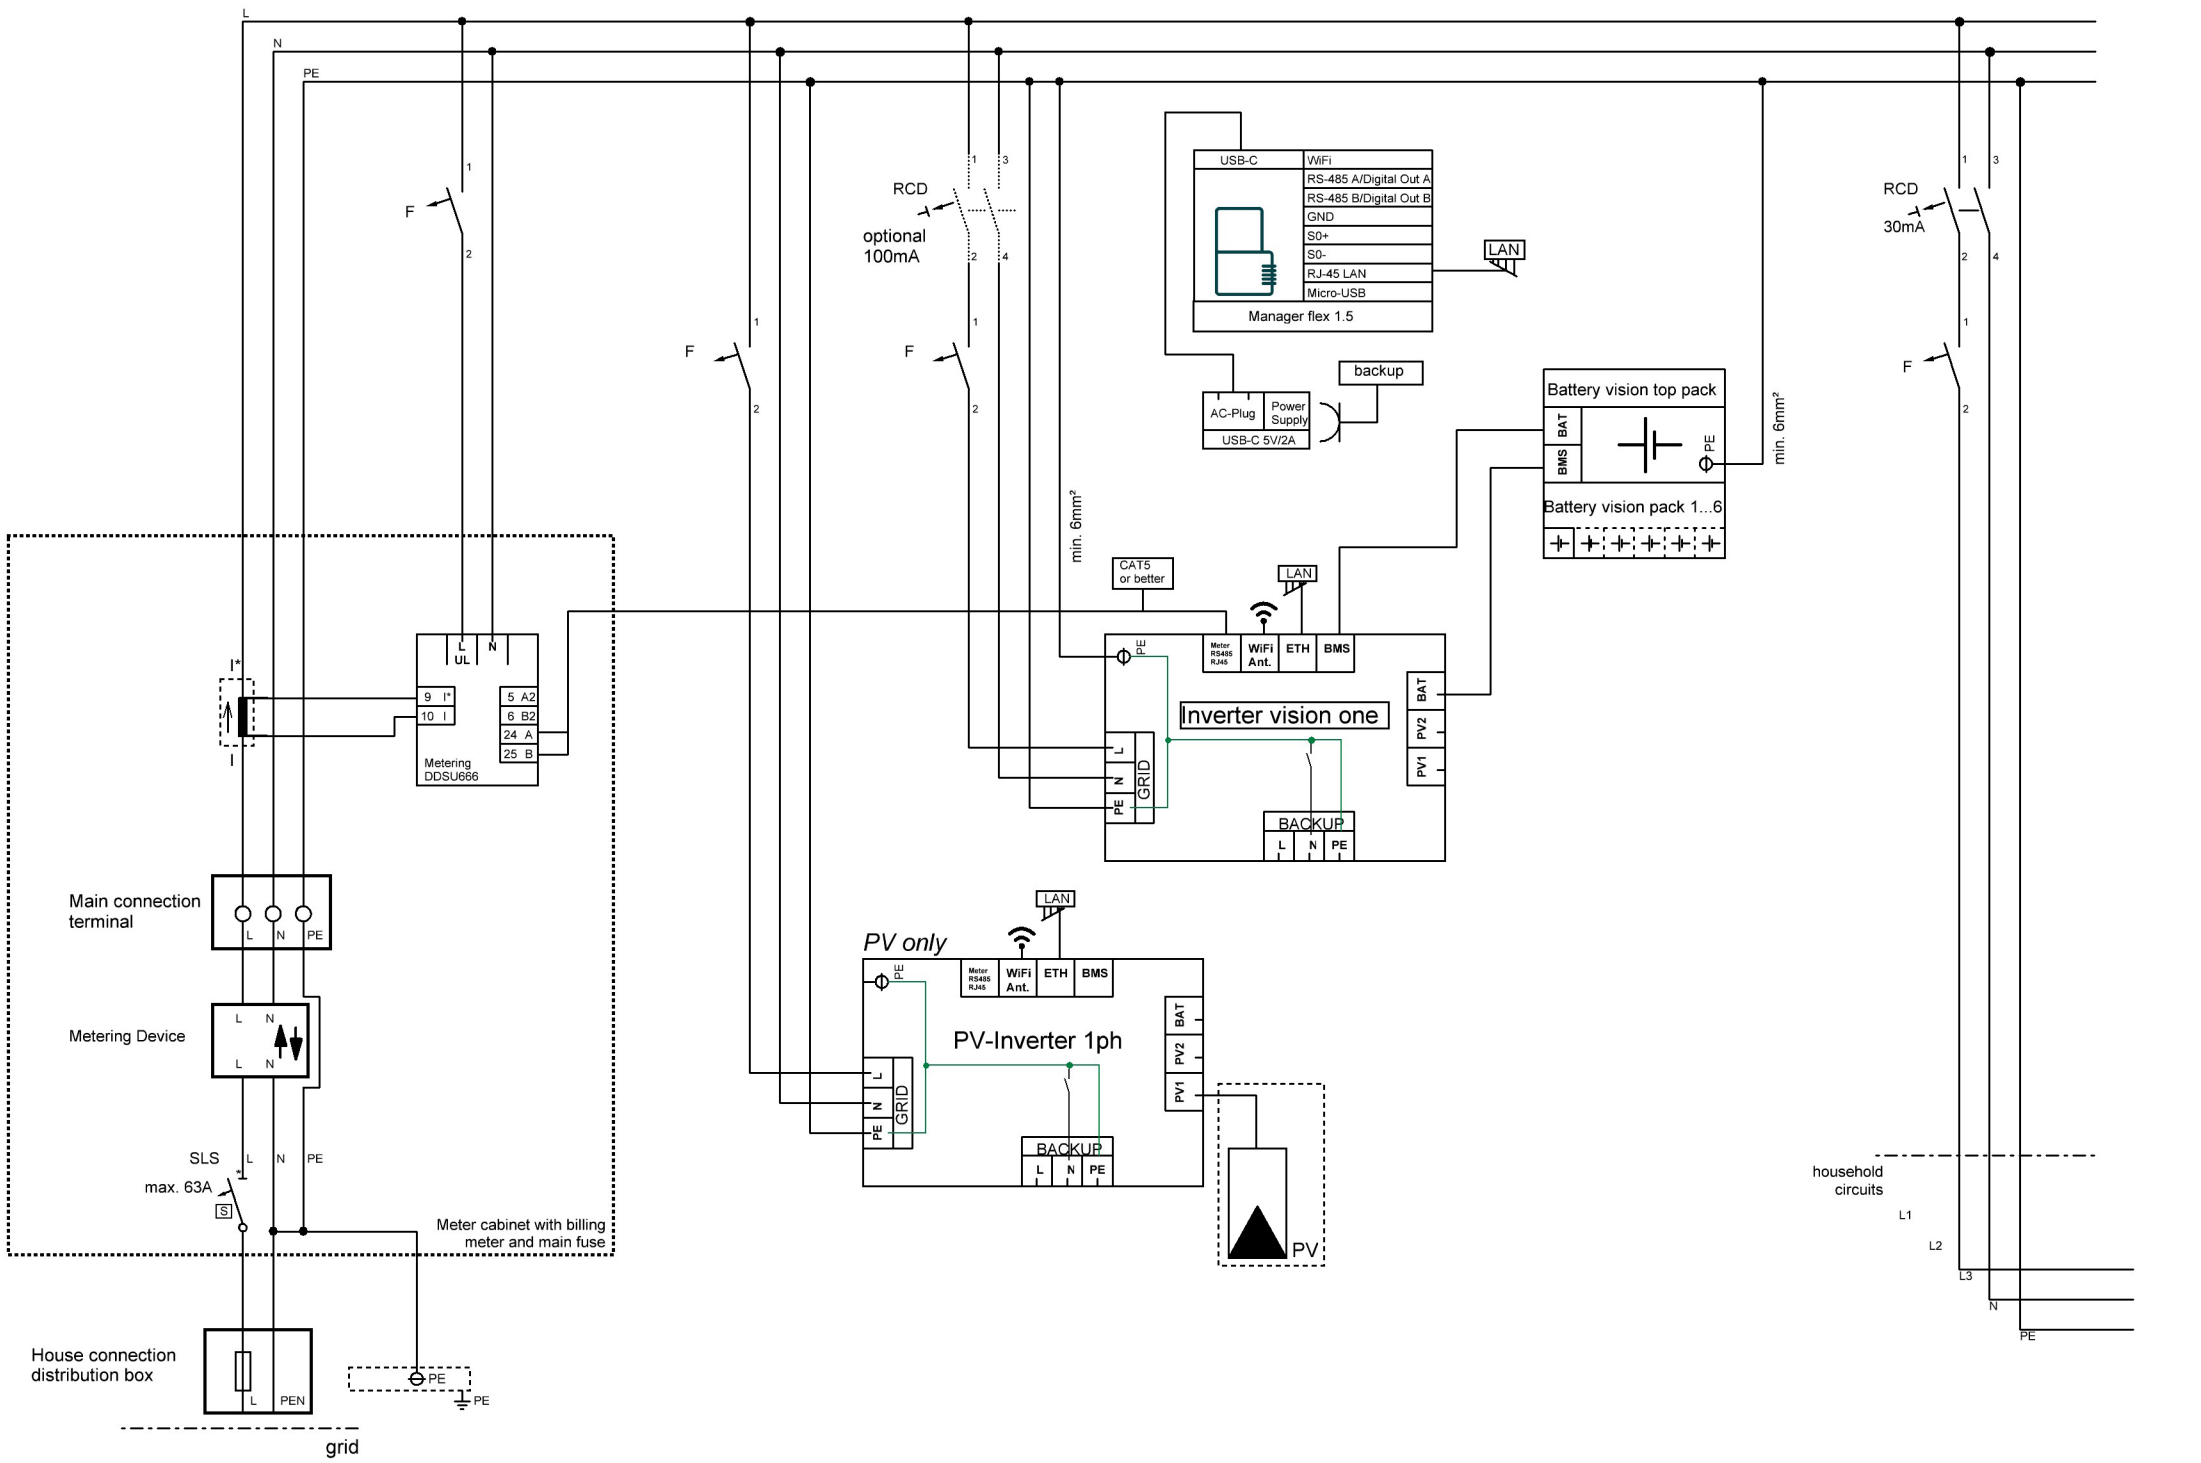

Inverter vision one: installazione monofase solo accumulo e backup in AC

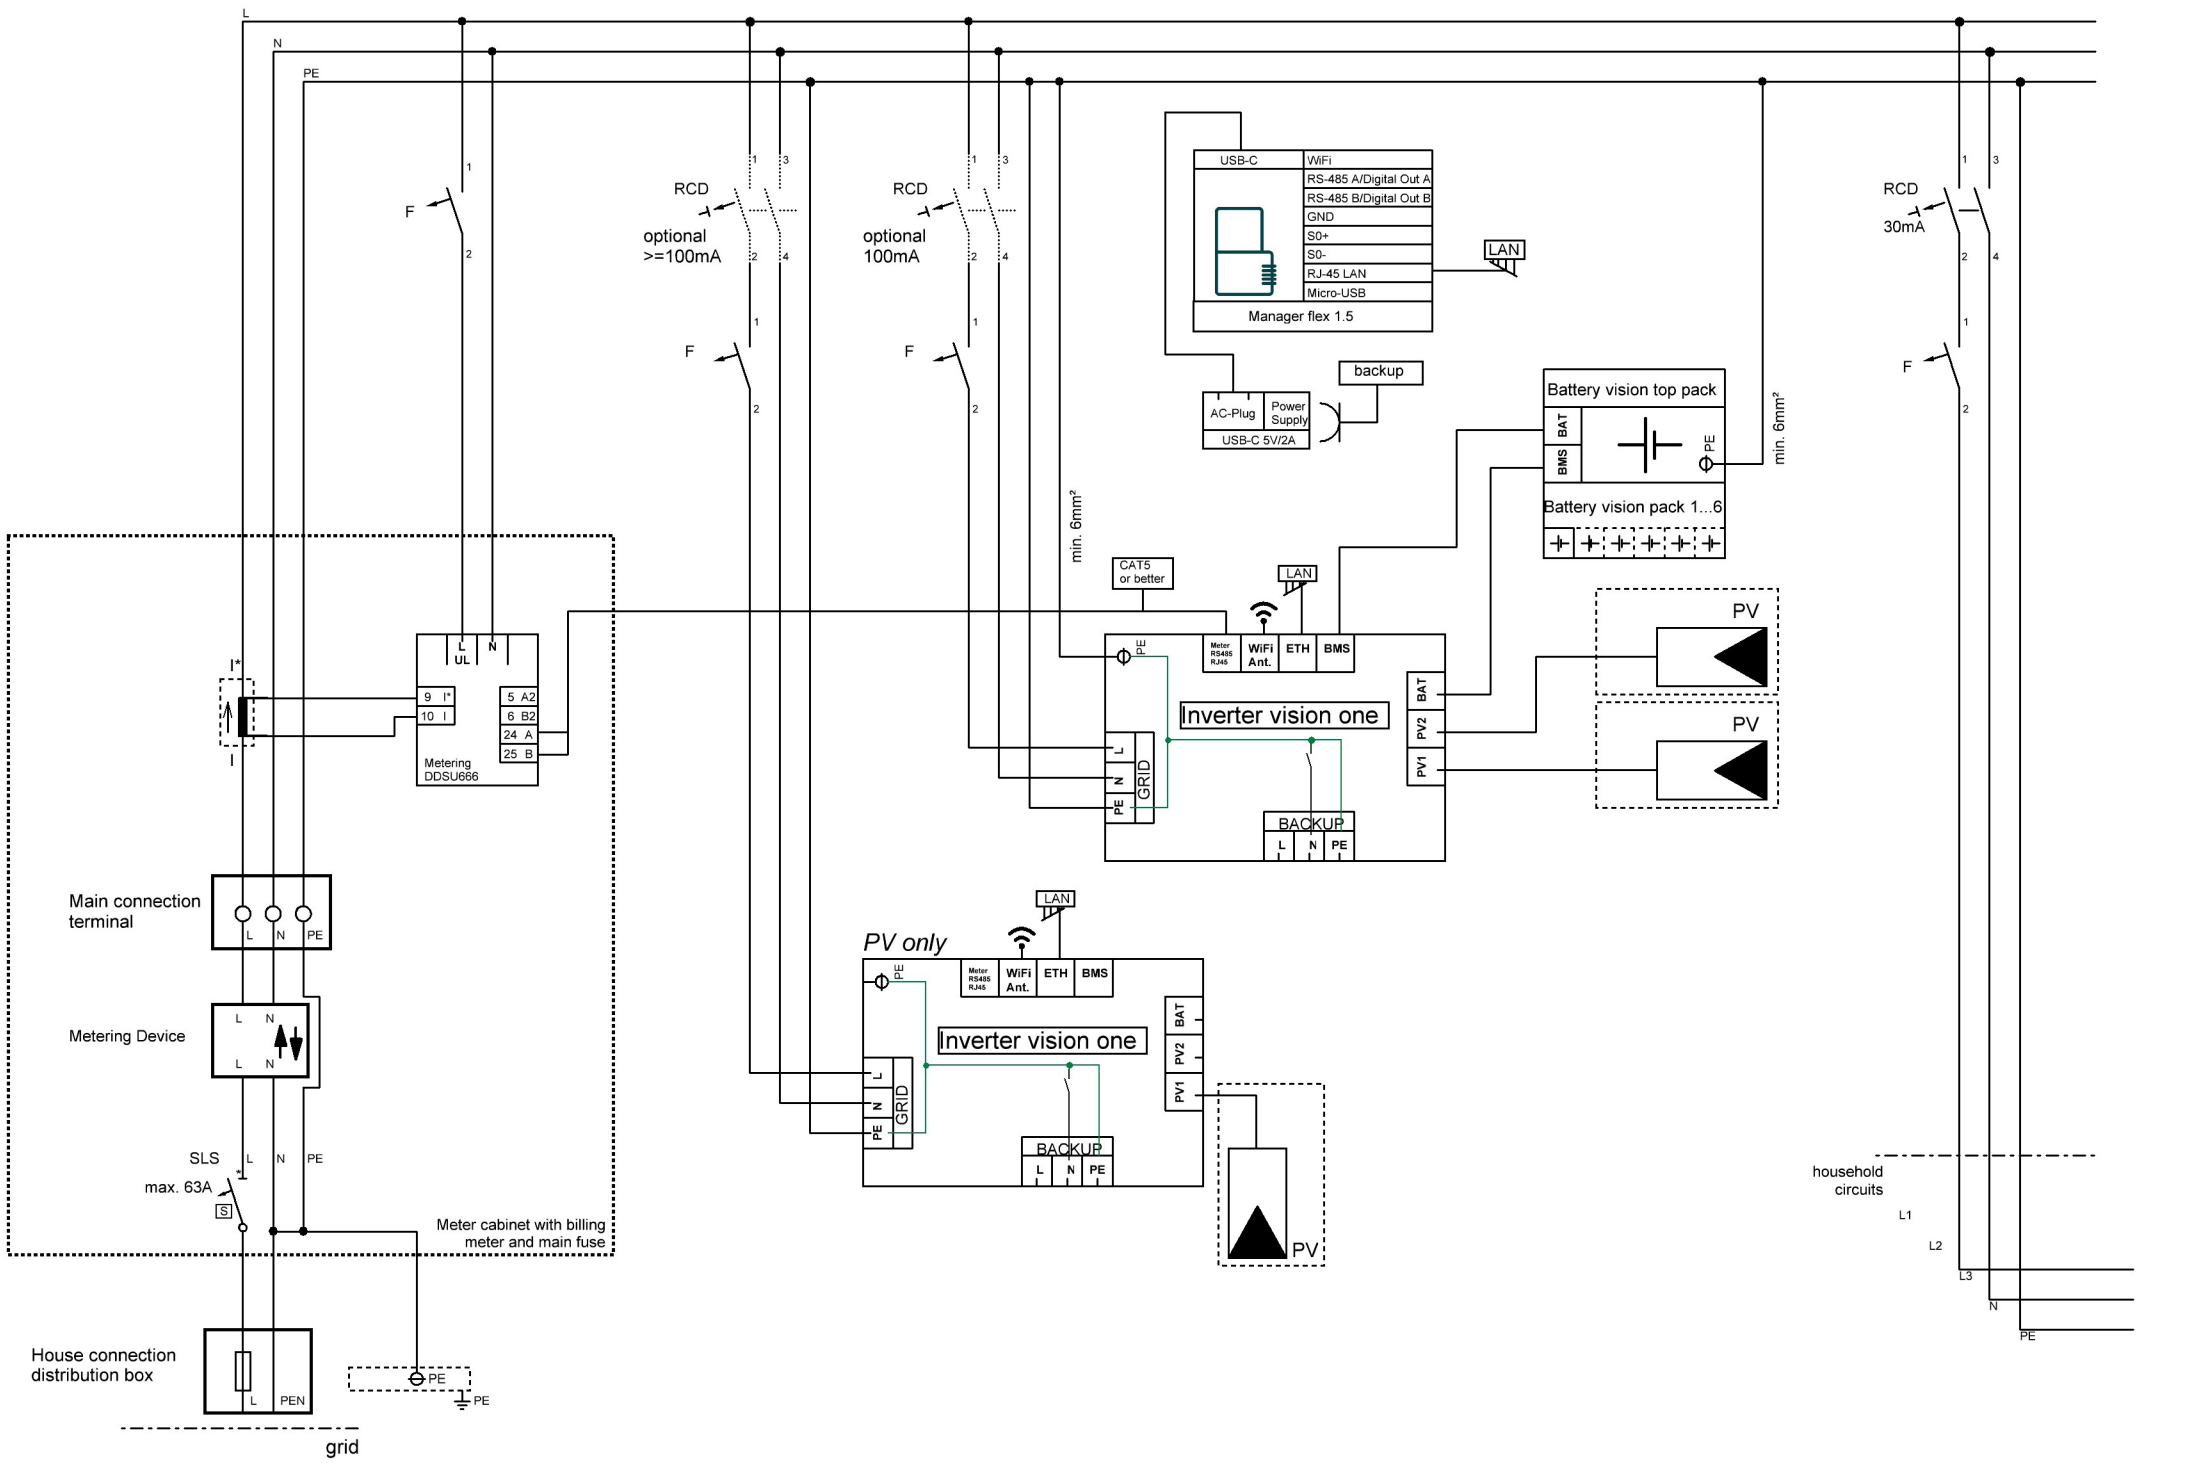

Inverter vision one: installazione monofase, fotovoltaico, accumulo e backup

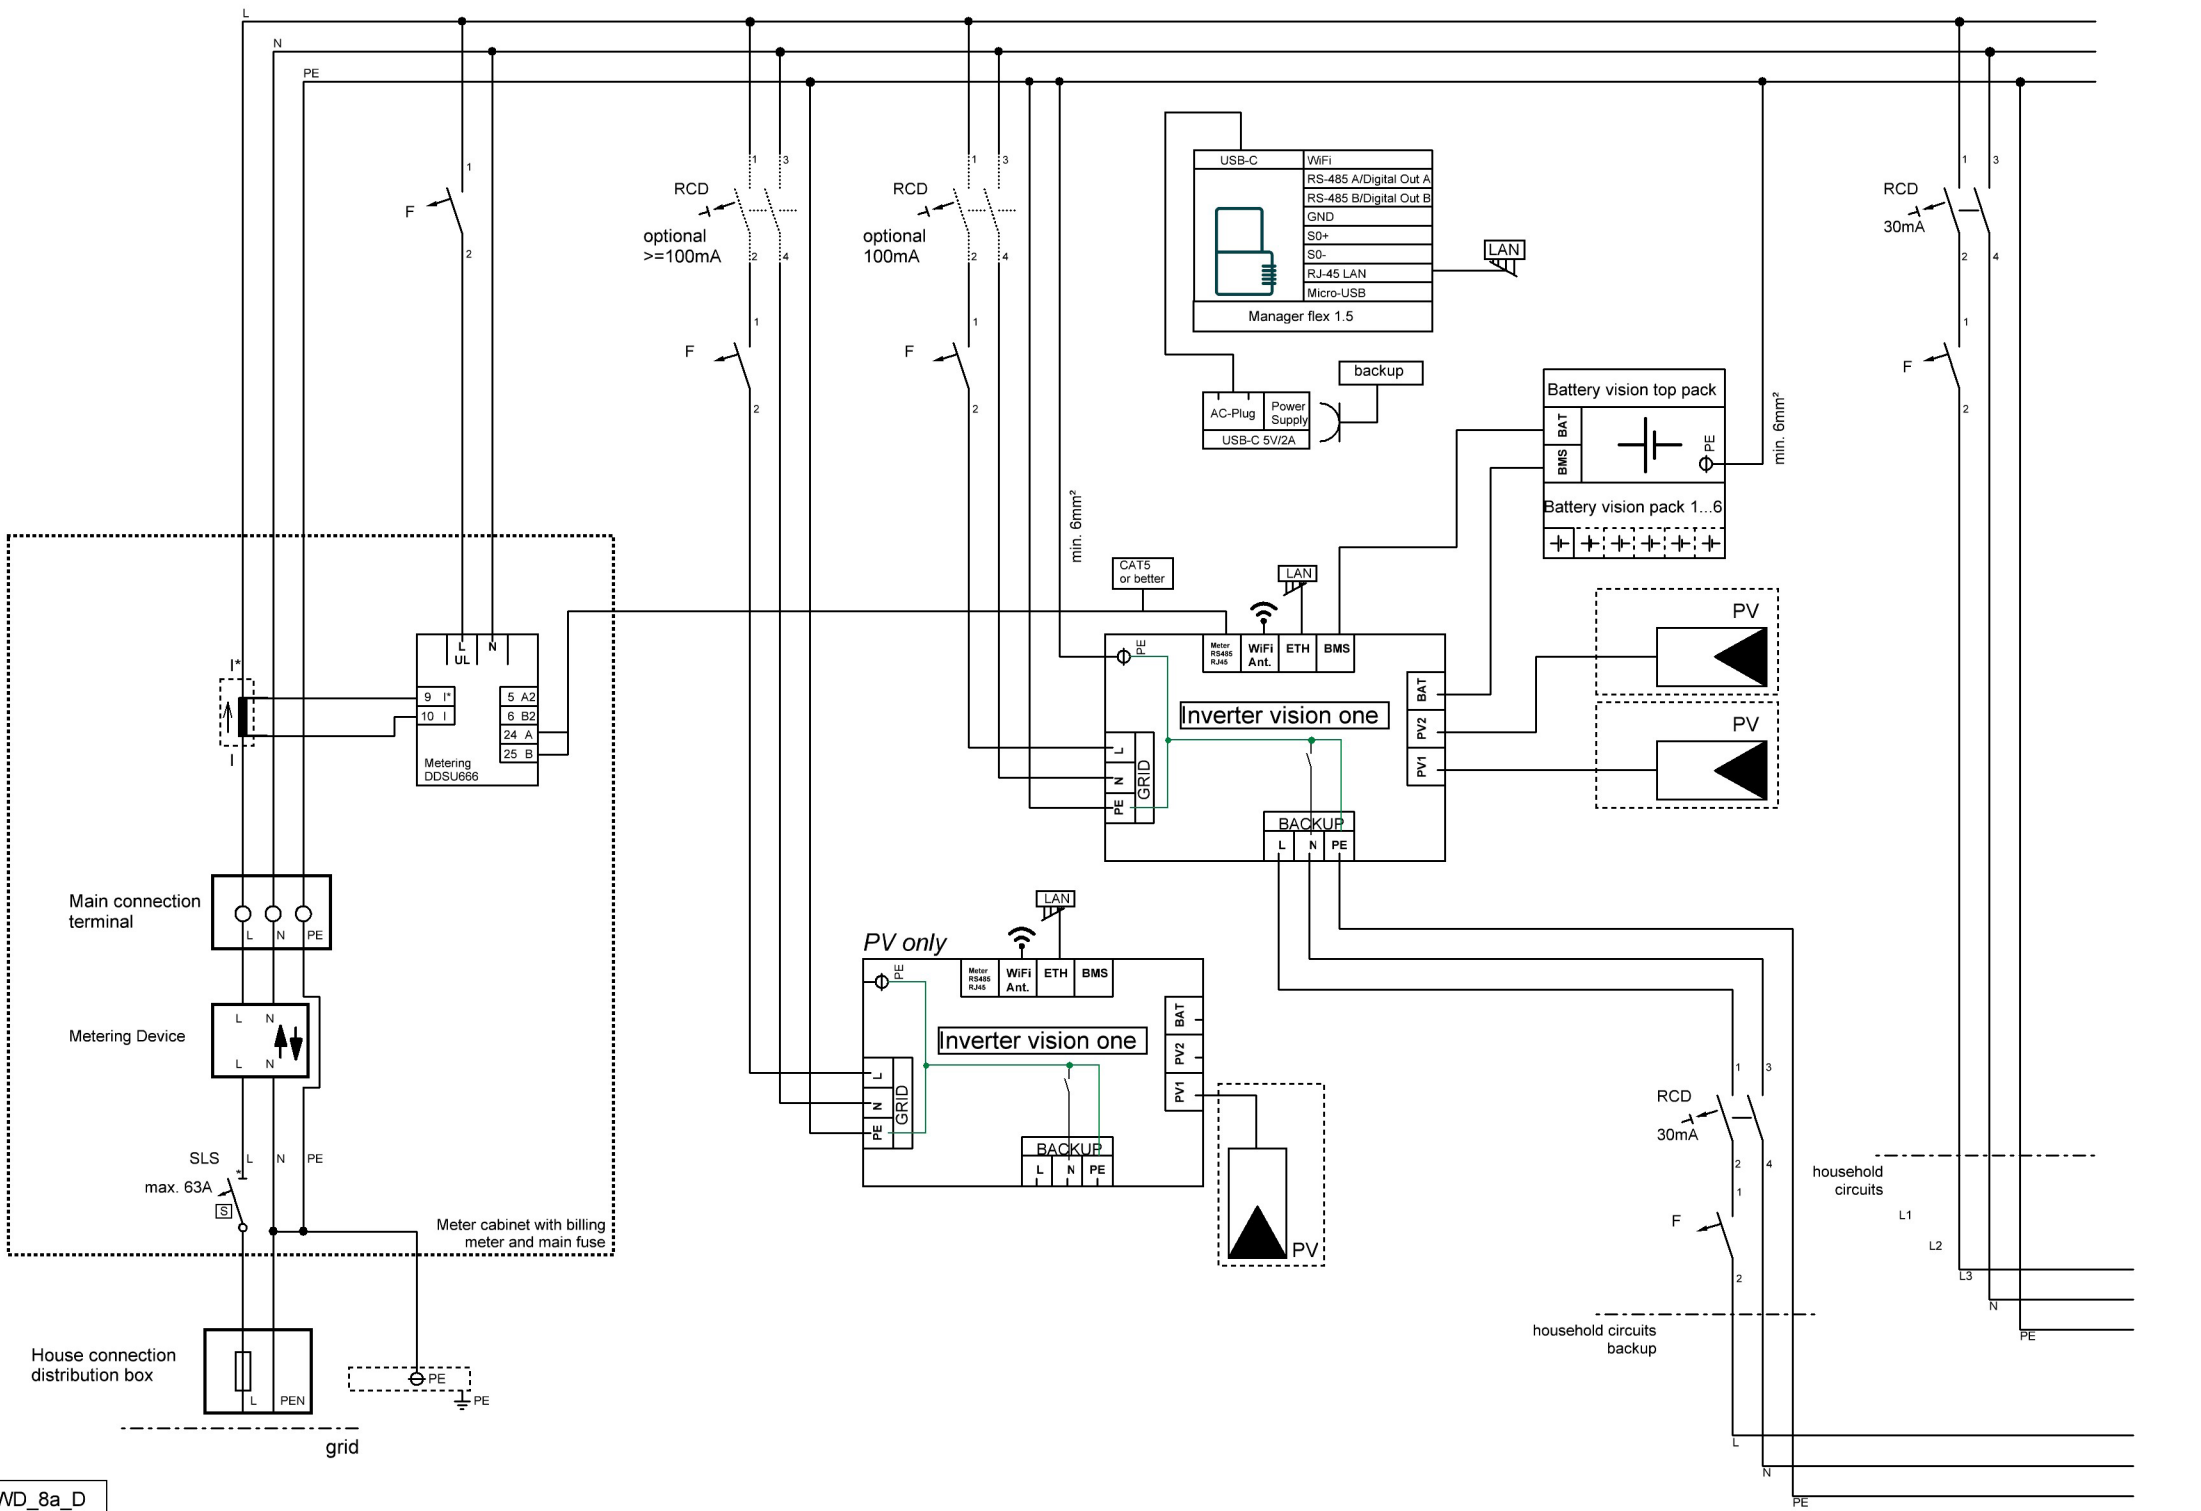

Inverter vision one: installazione monofase in retrofit solo accumulo in AC

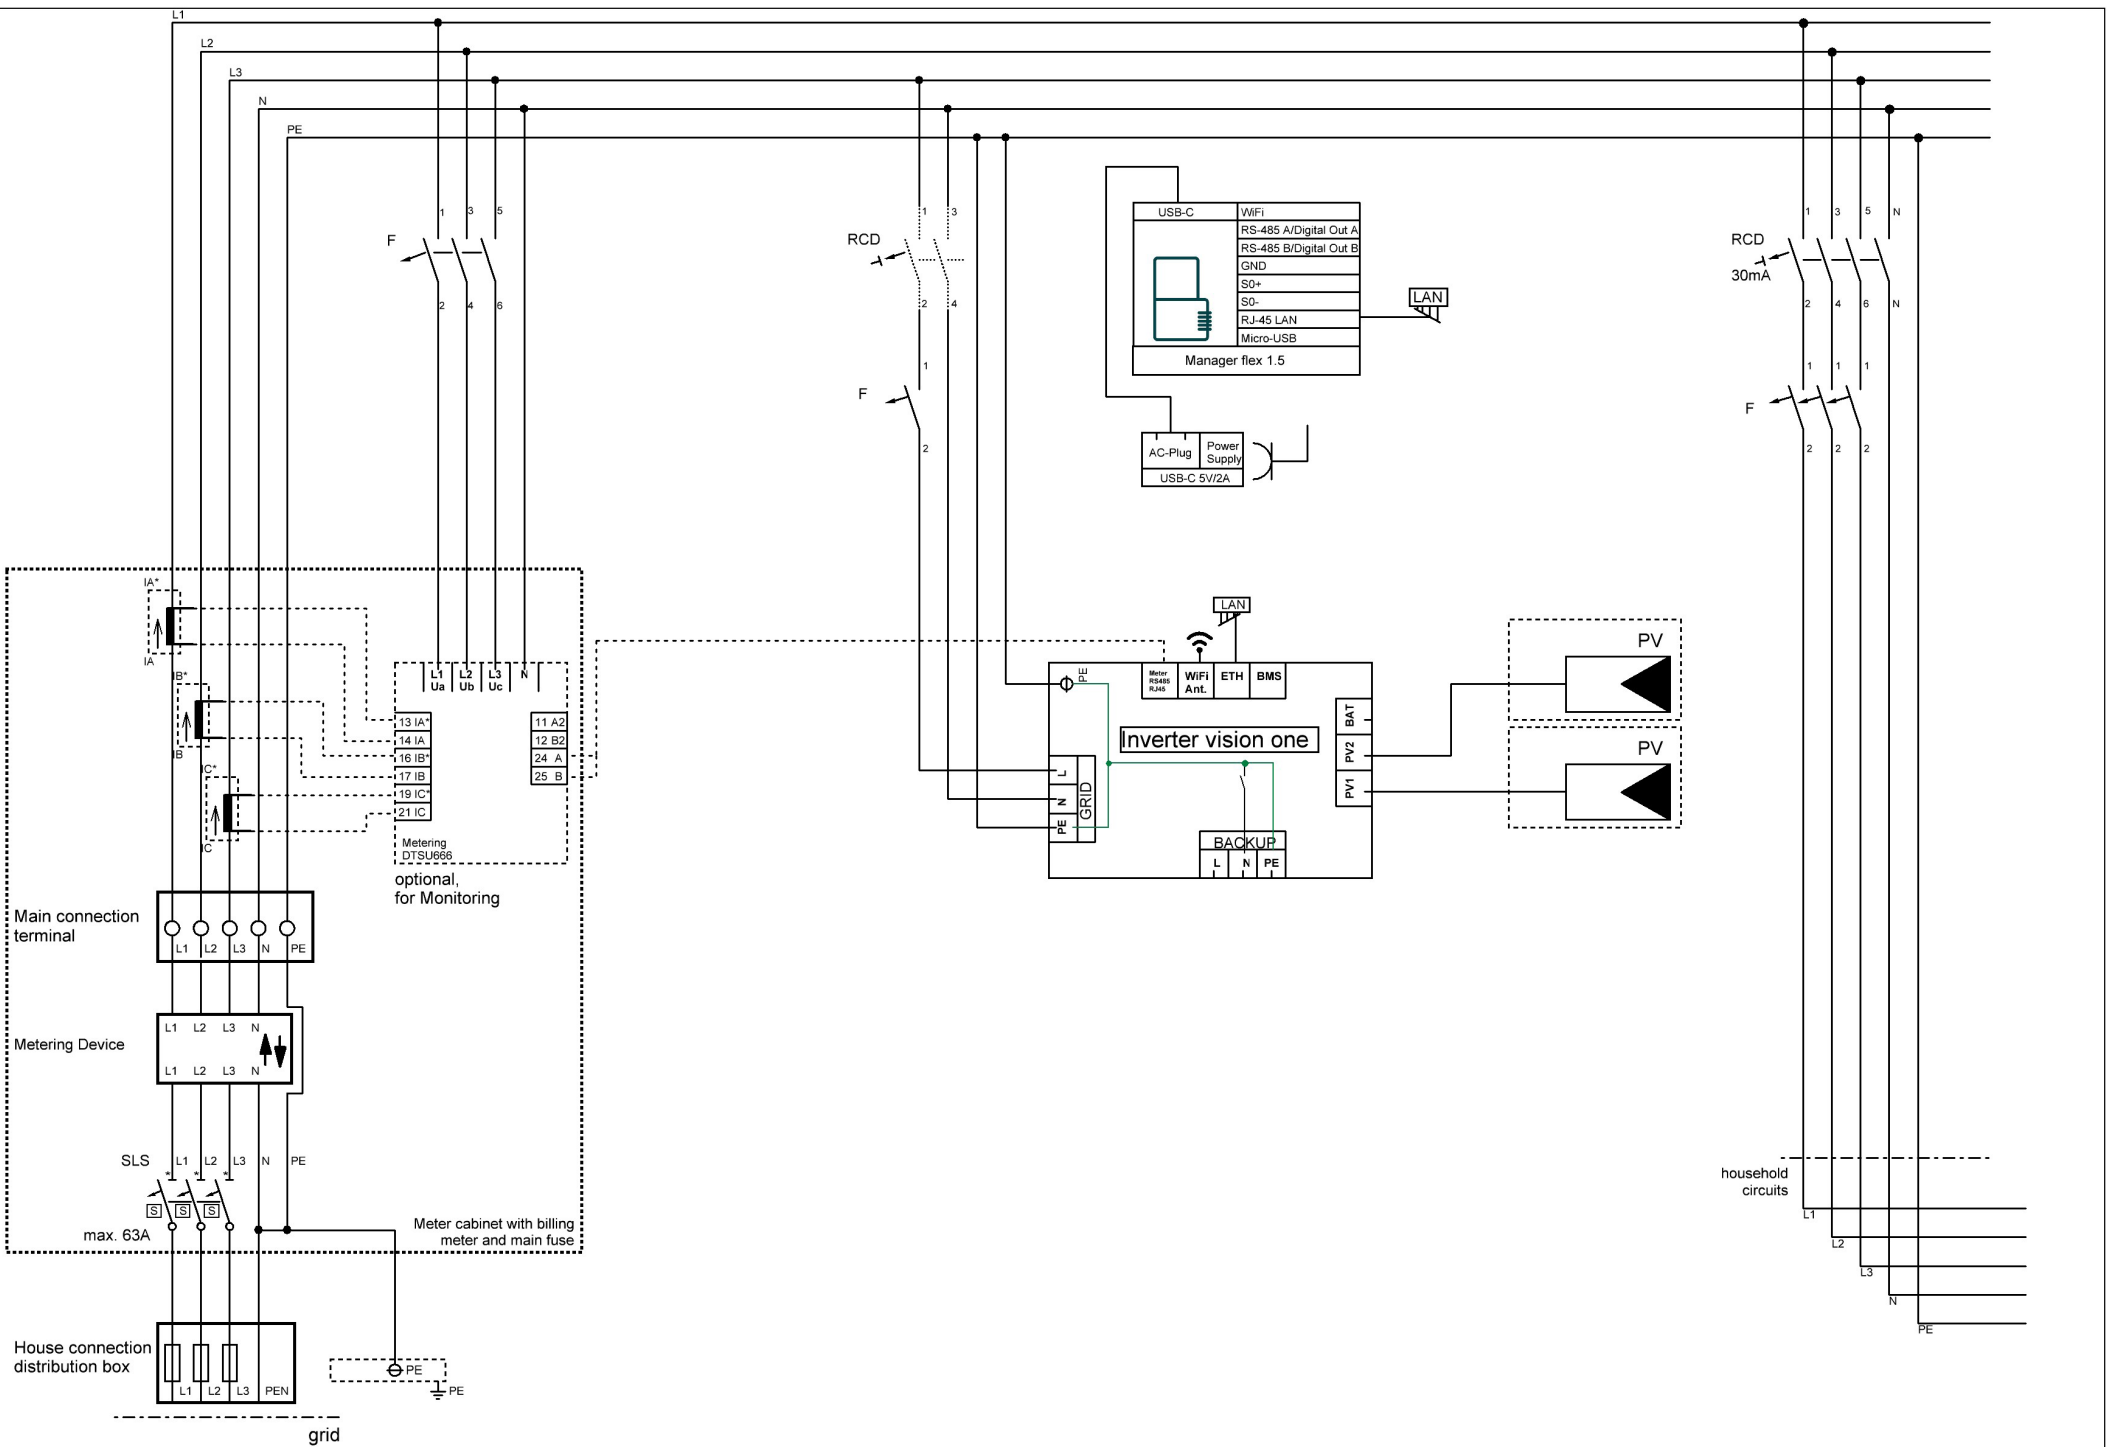

Inverter vision one: installazione monofase in retrofit, fotovoltaico e accumulo

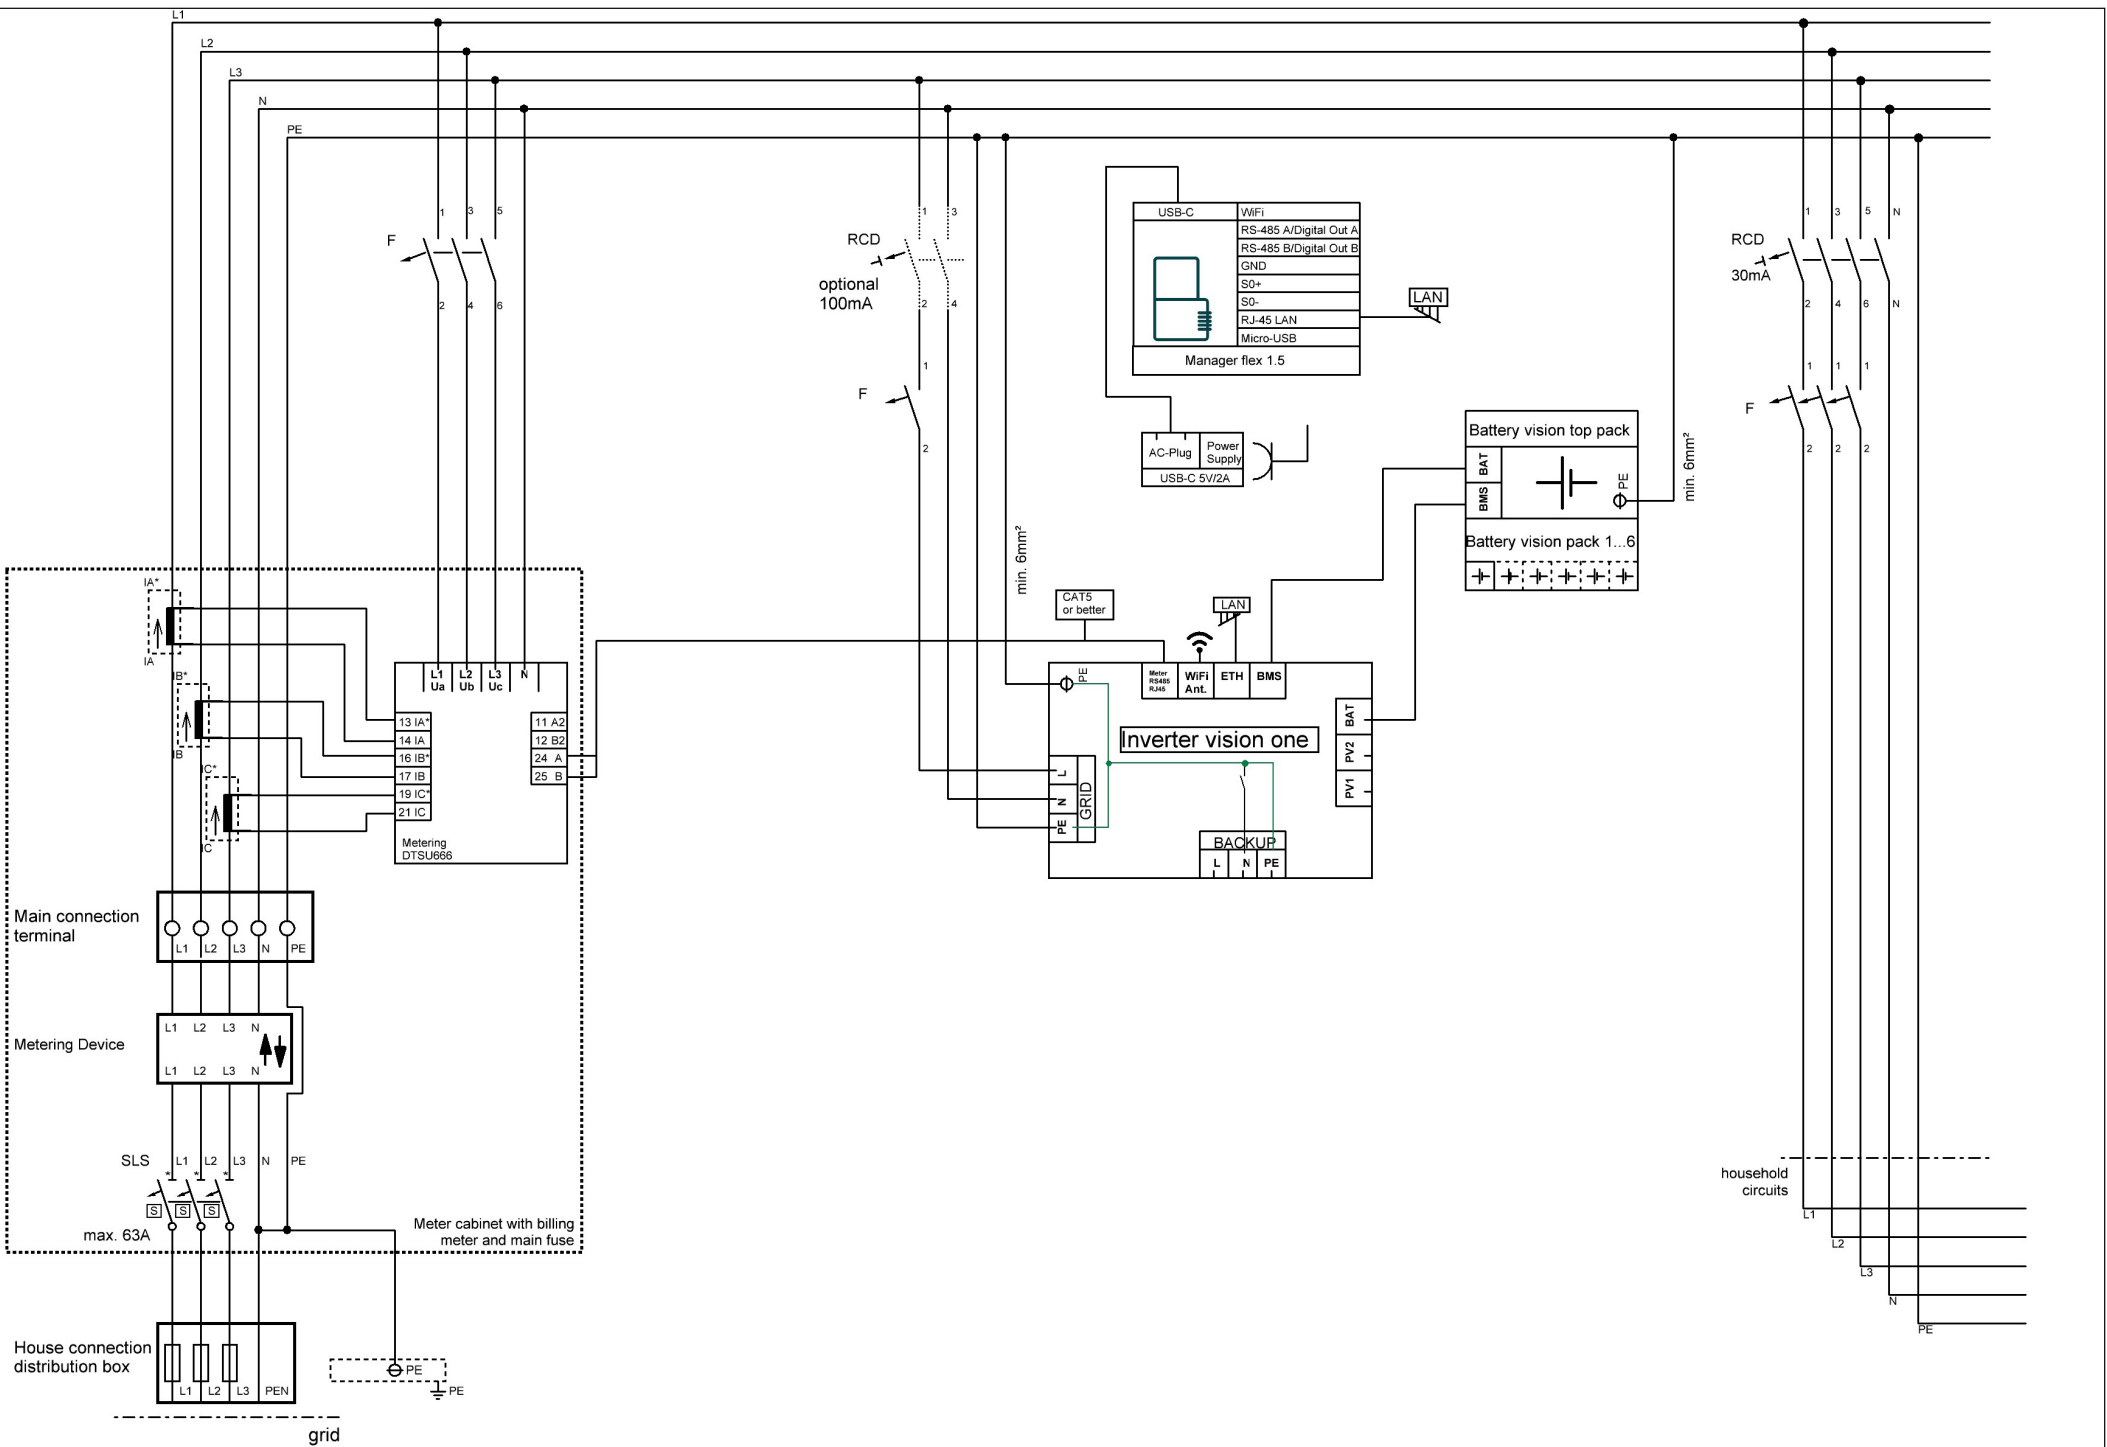

Inverter vision one: installazione monofase in retrofit, fotovoltaico, accumulo e backup

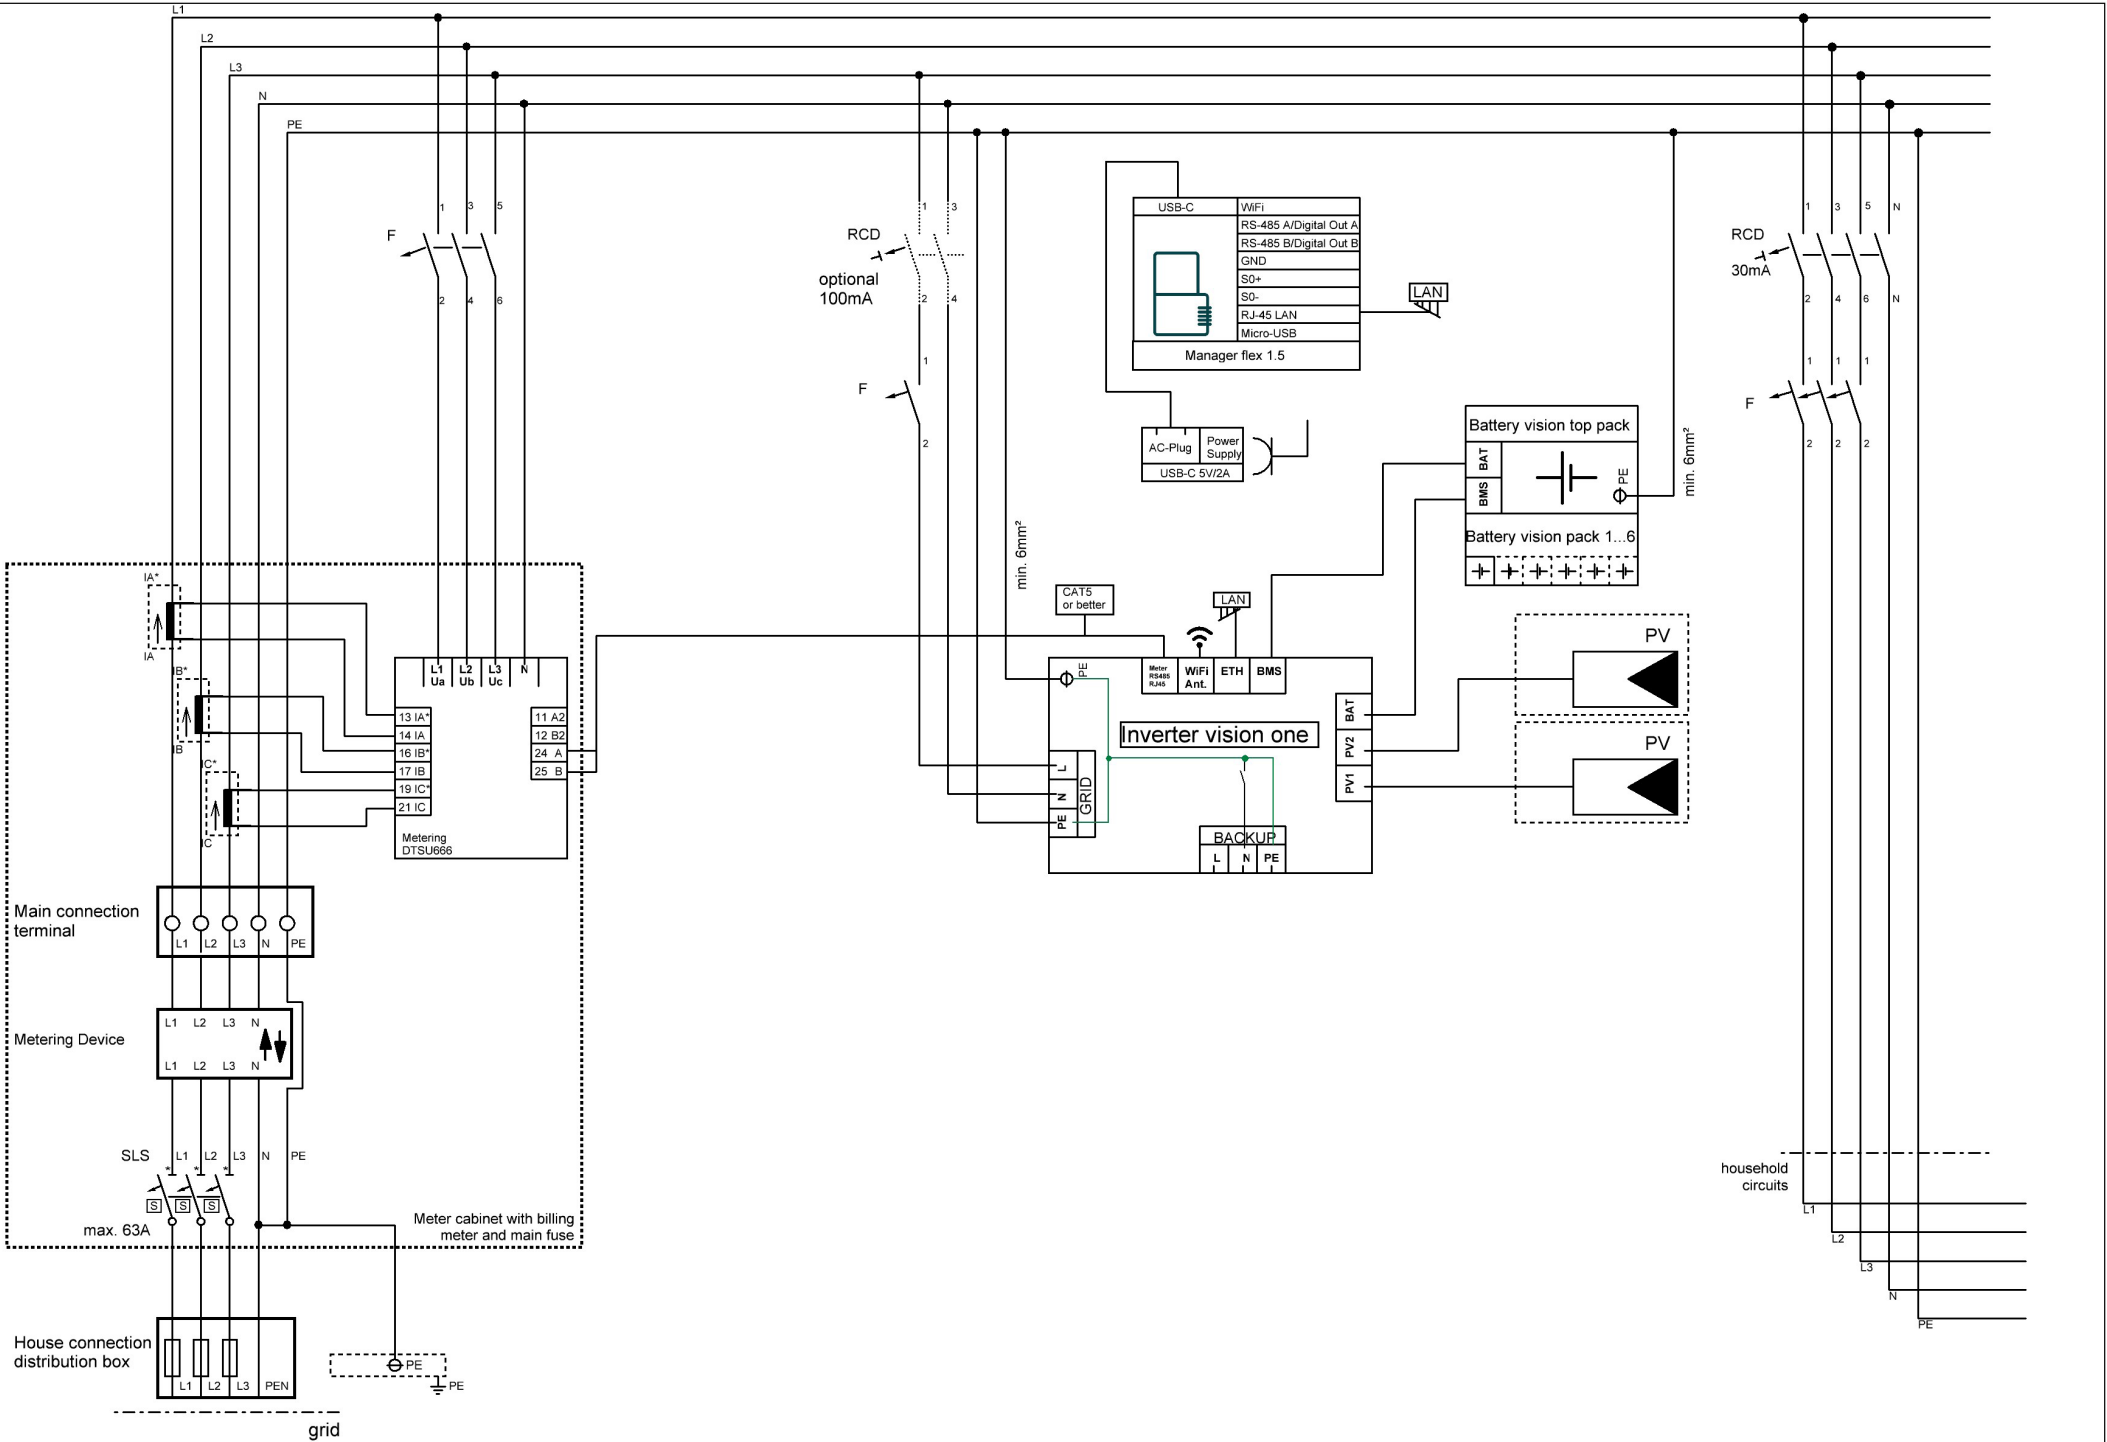

Inverter vision one: installazione trifase solo fotovoltaico

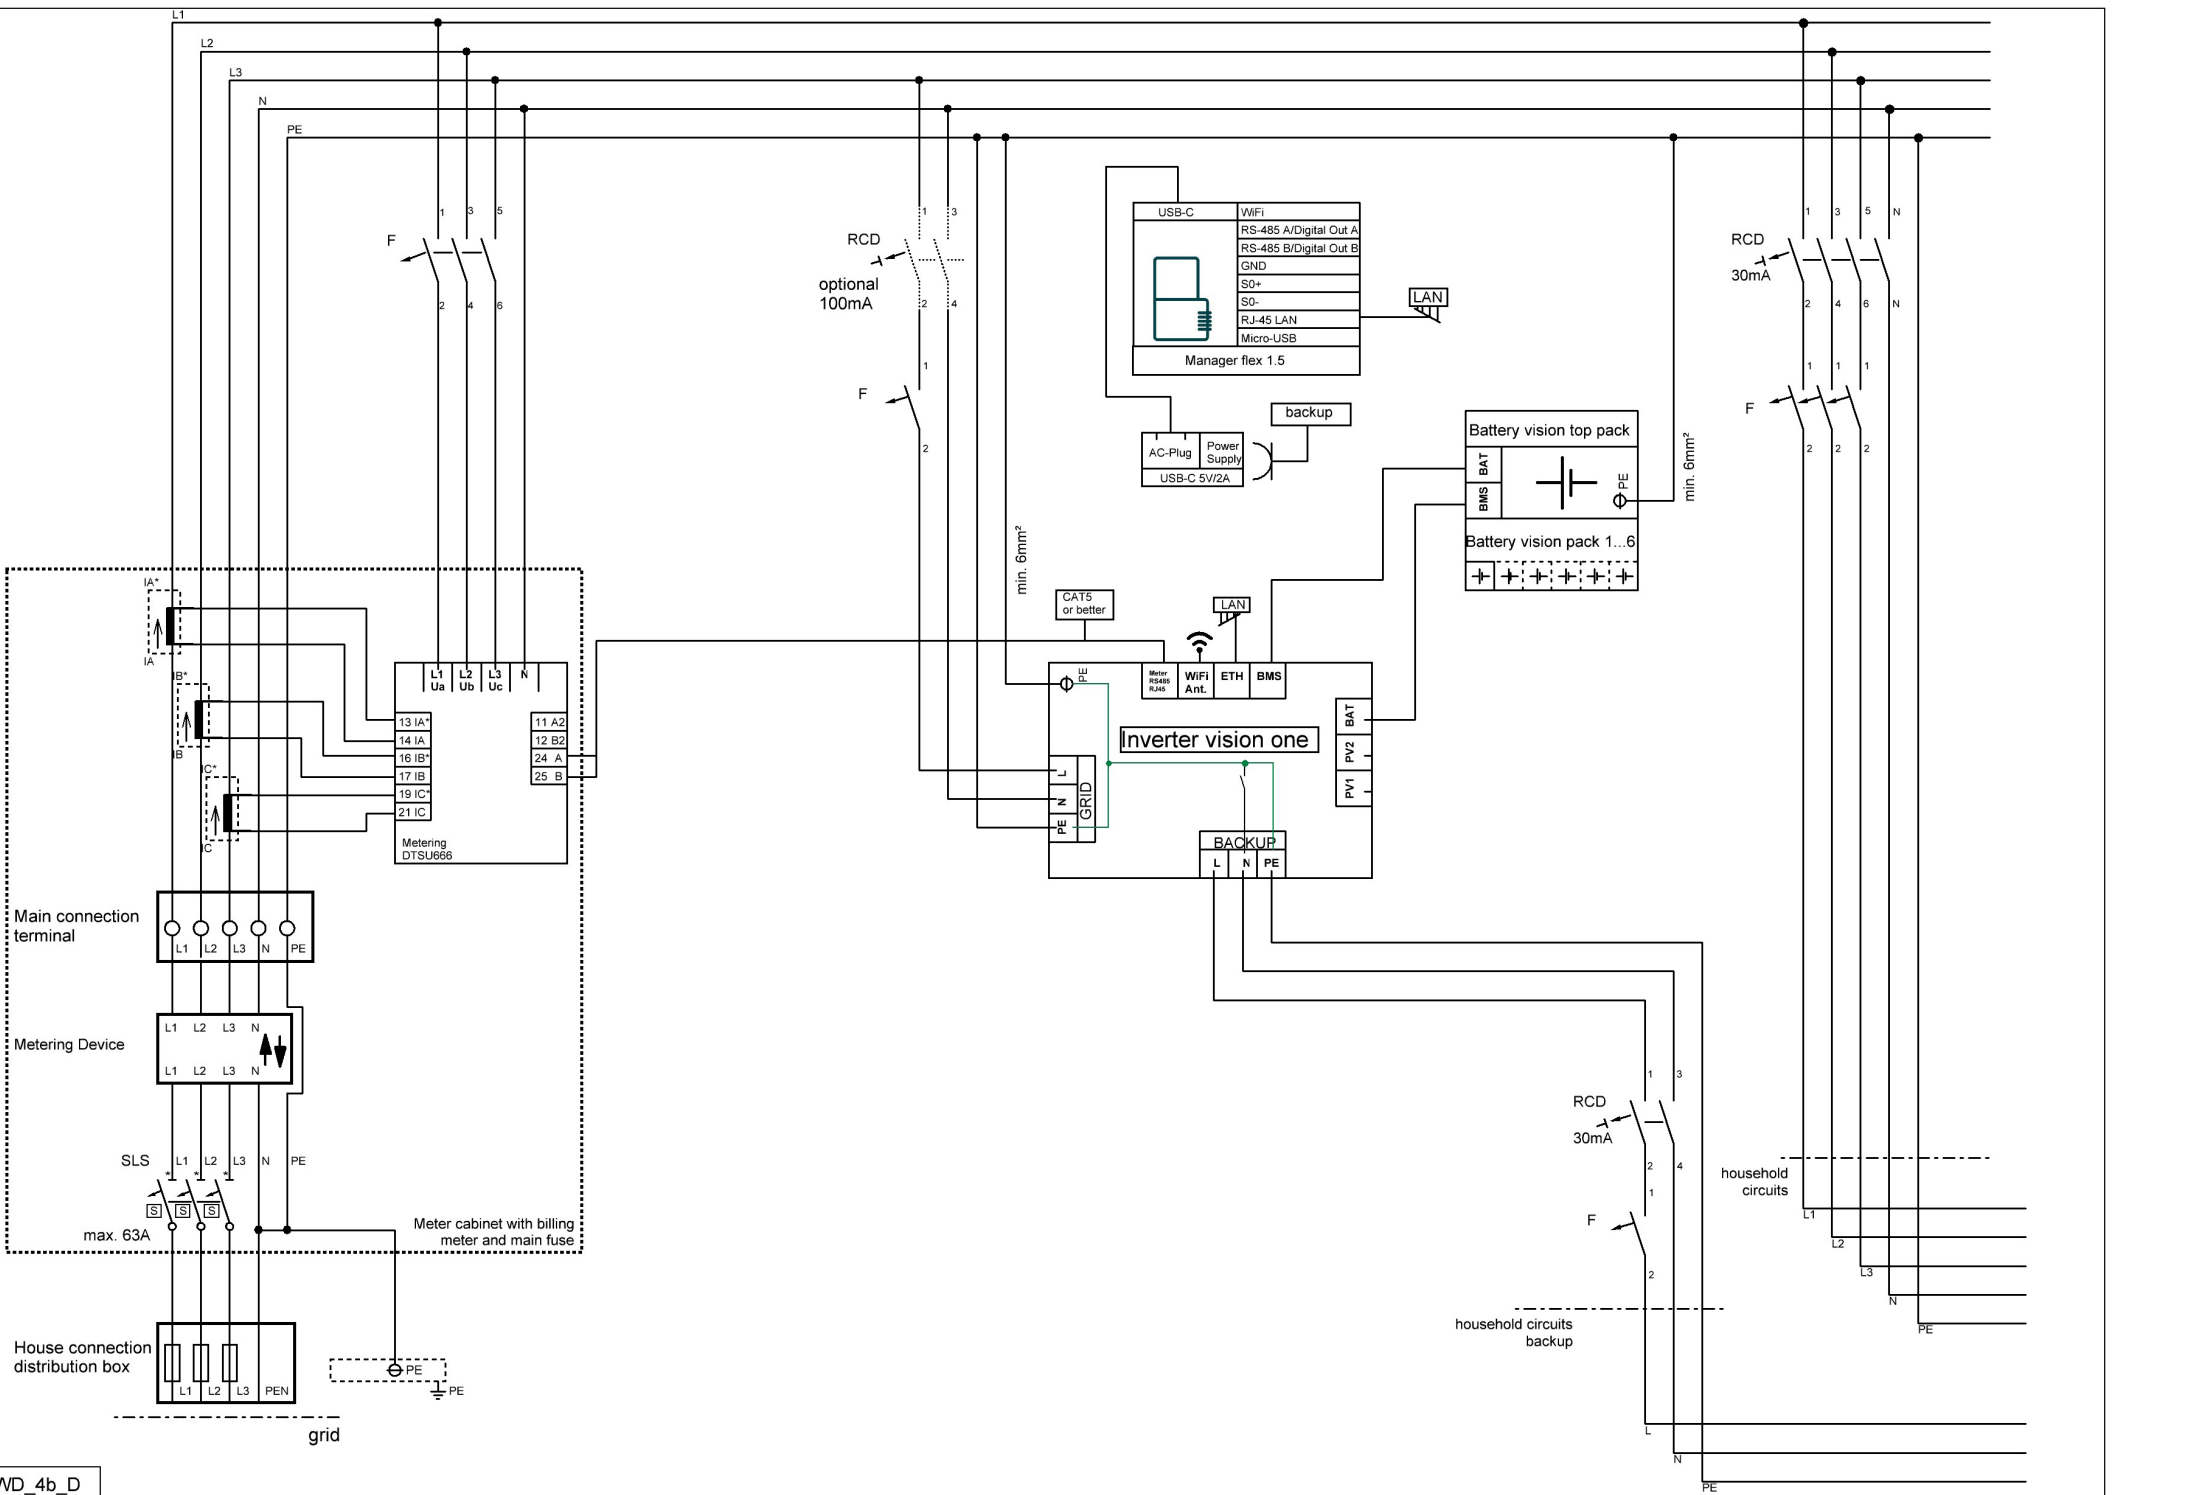

Inverter vision one: installazione trifase solo accumulo in AC

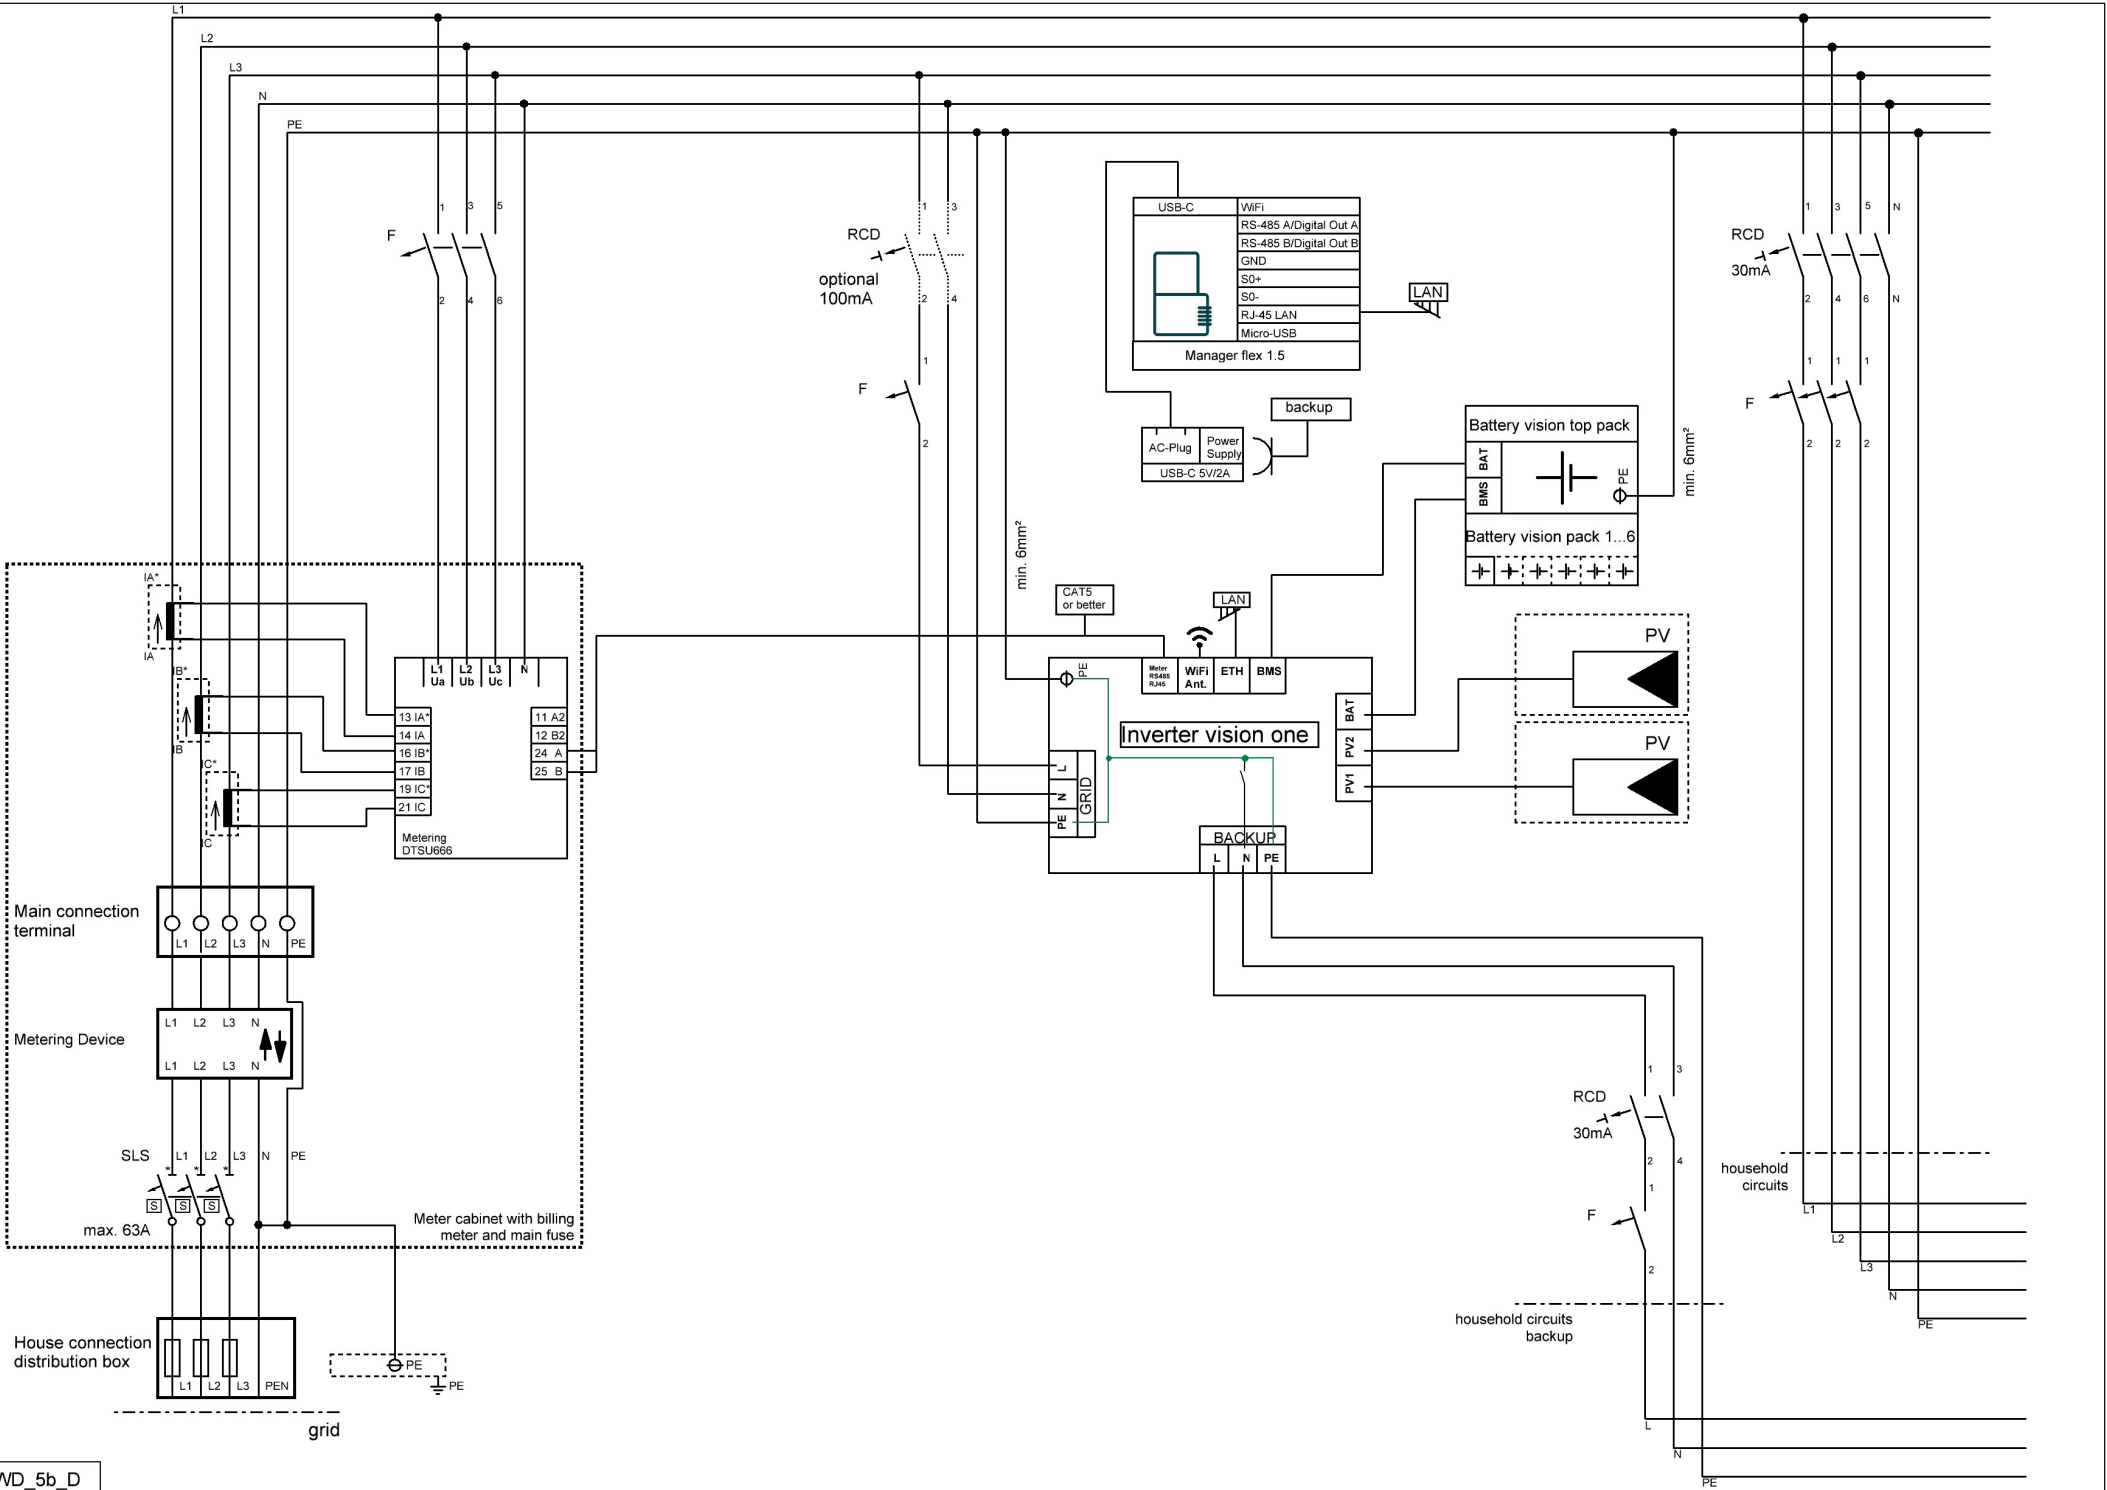

Inverter vision one: installazione trifase, fotovoltaico e accumulo

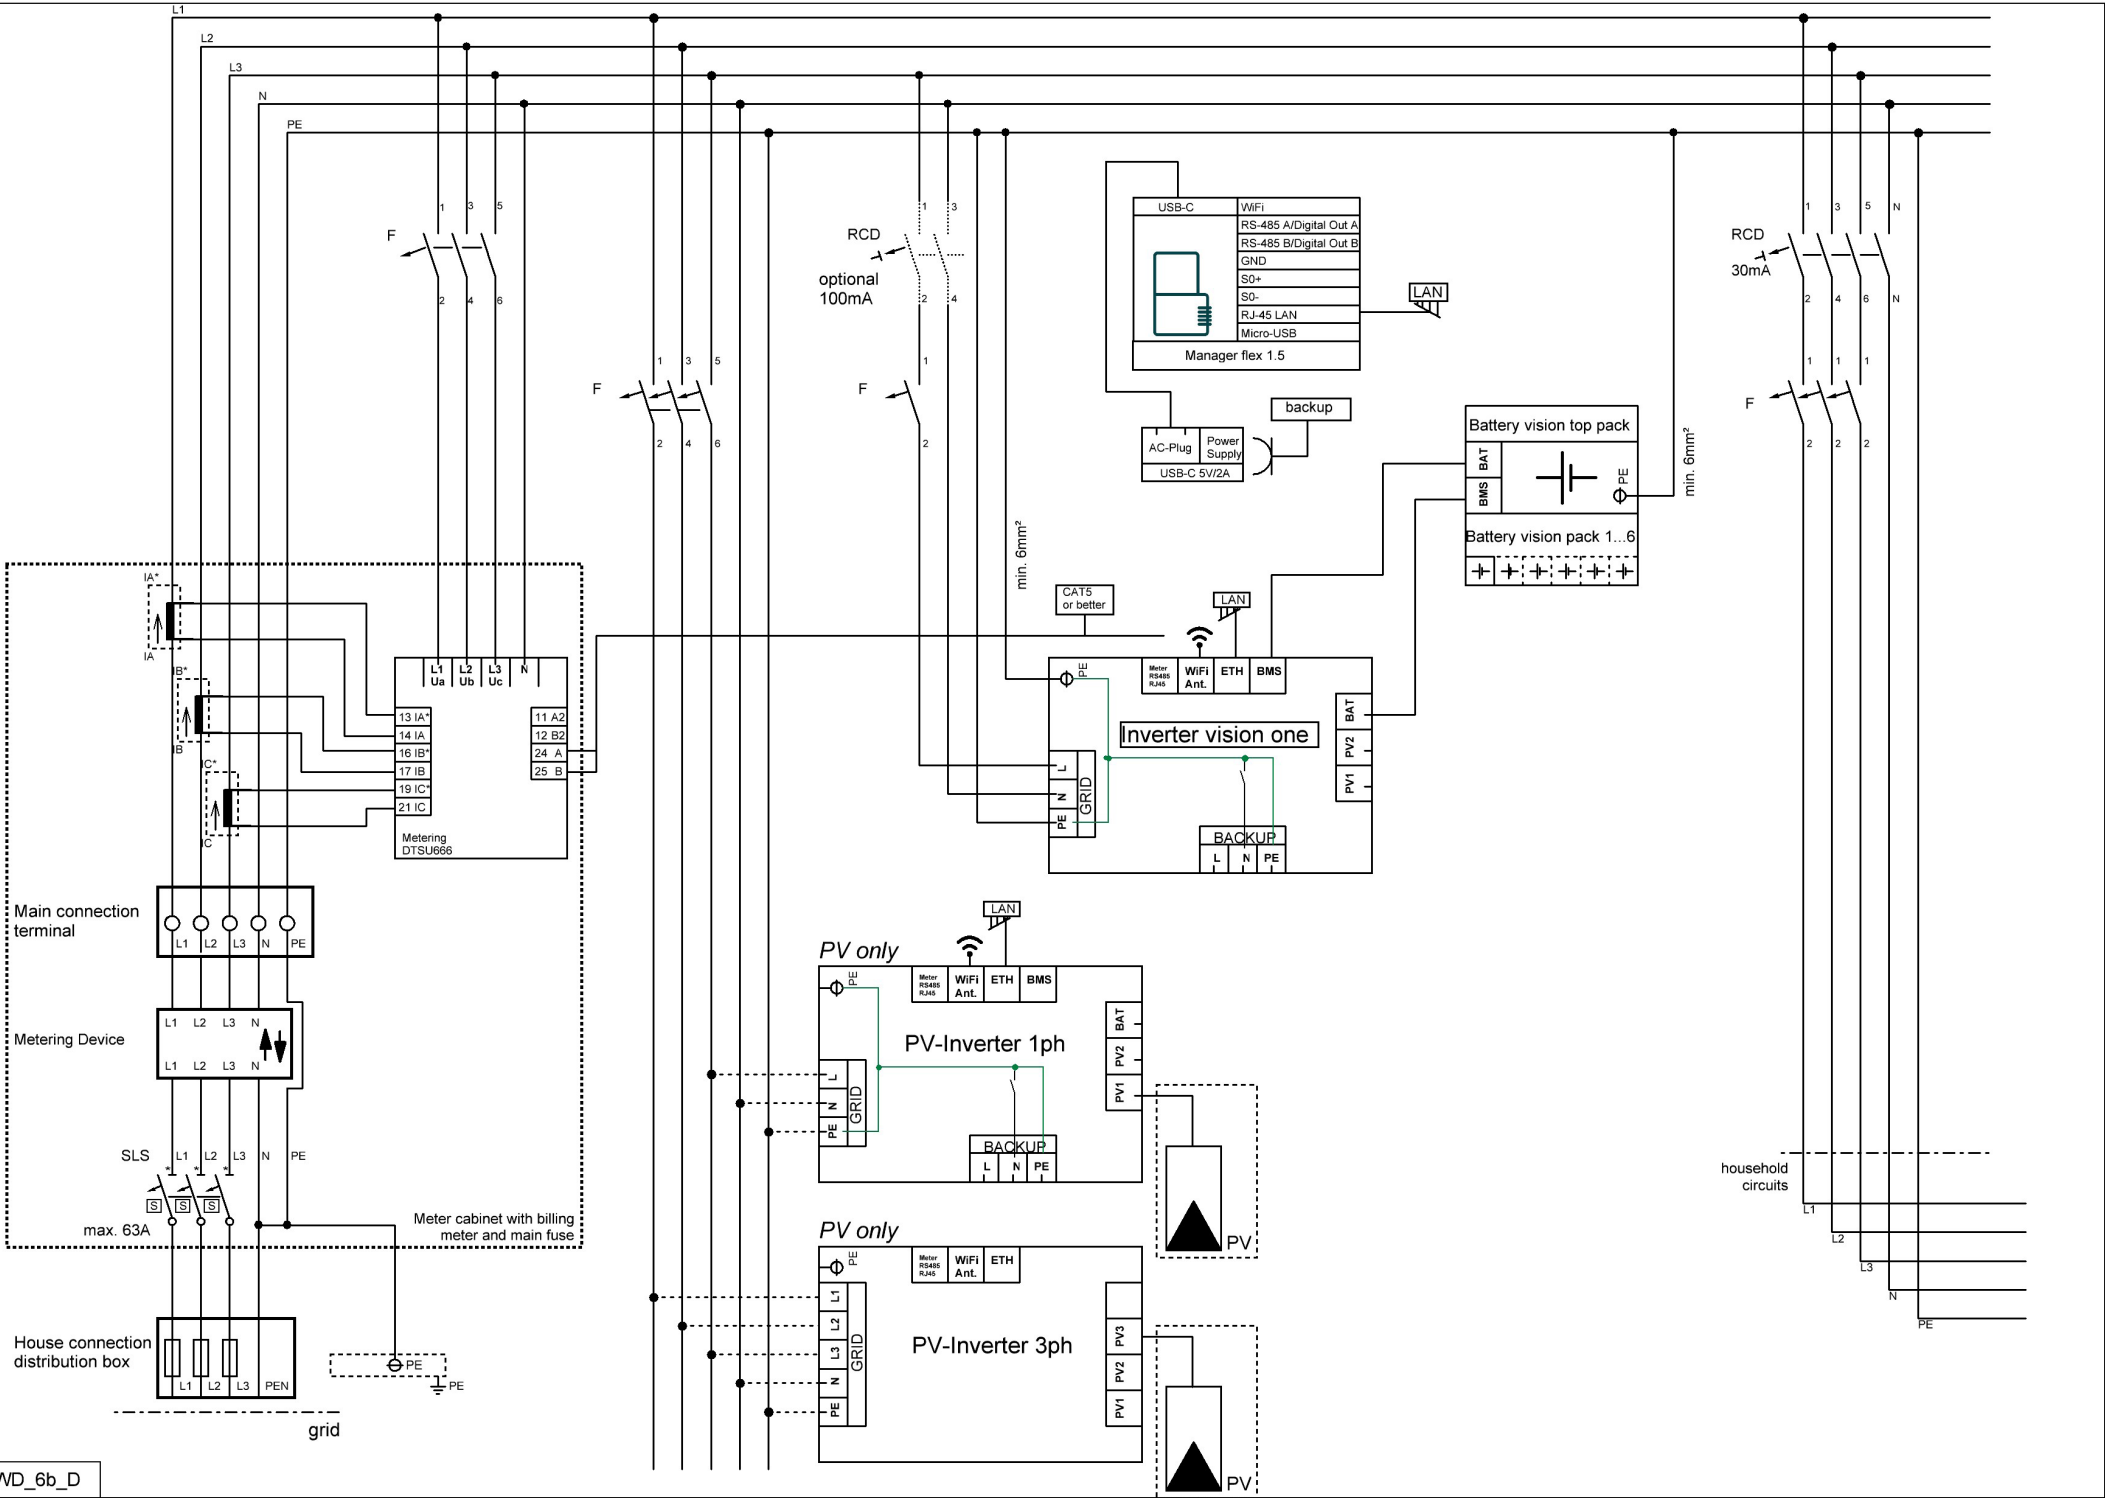

Inverter vision one: installazione trifase solo accumulo e backup in AC

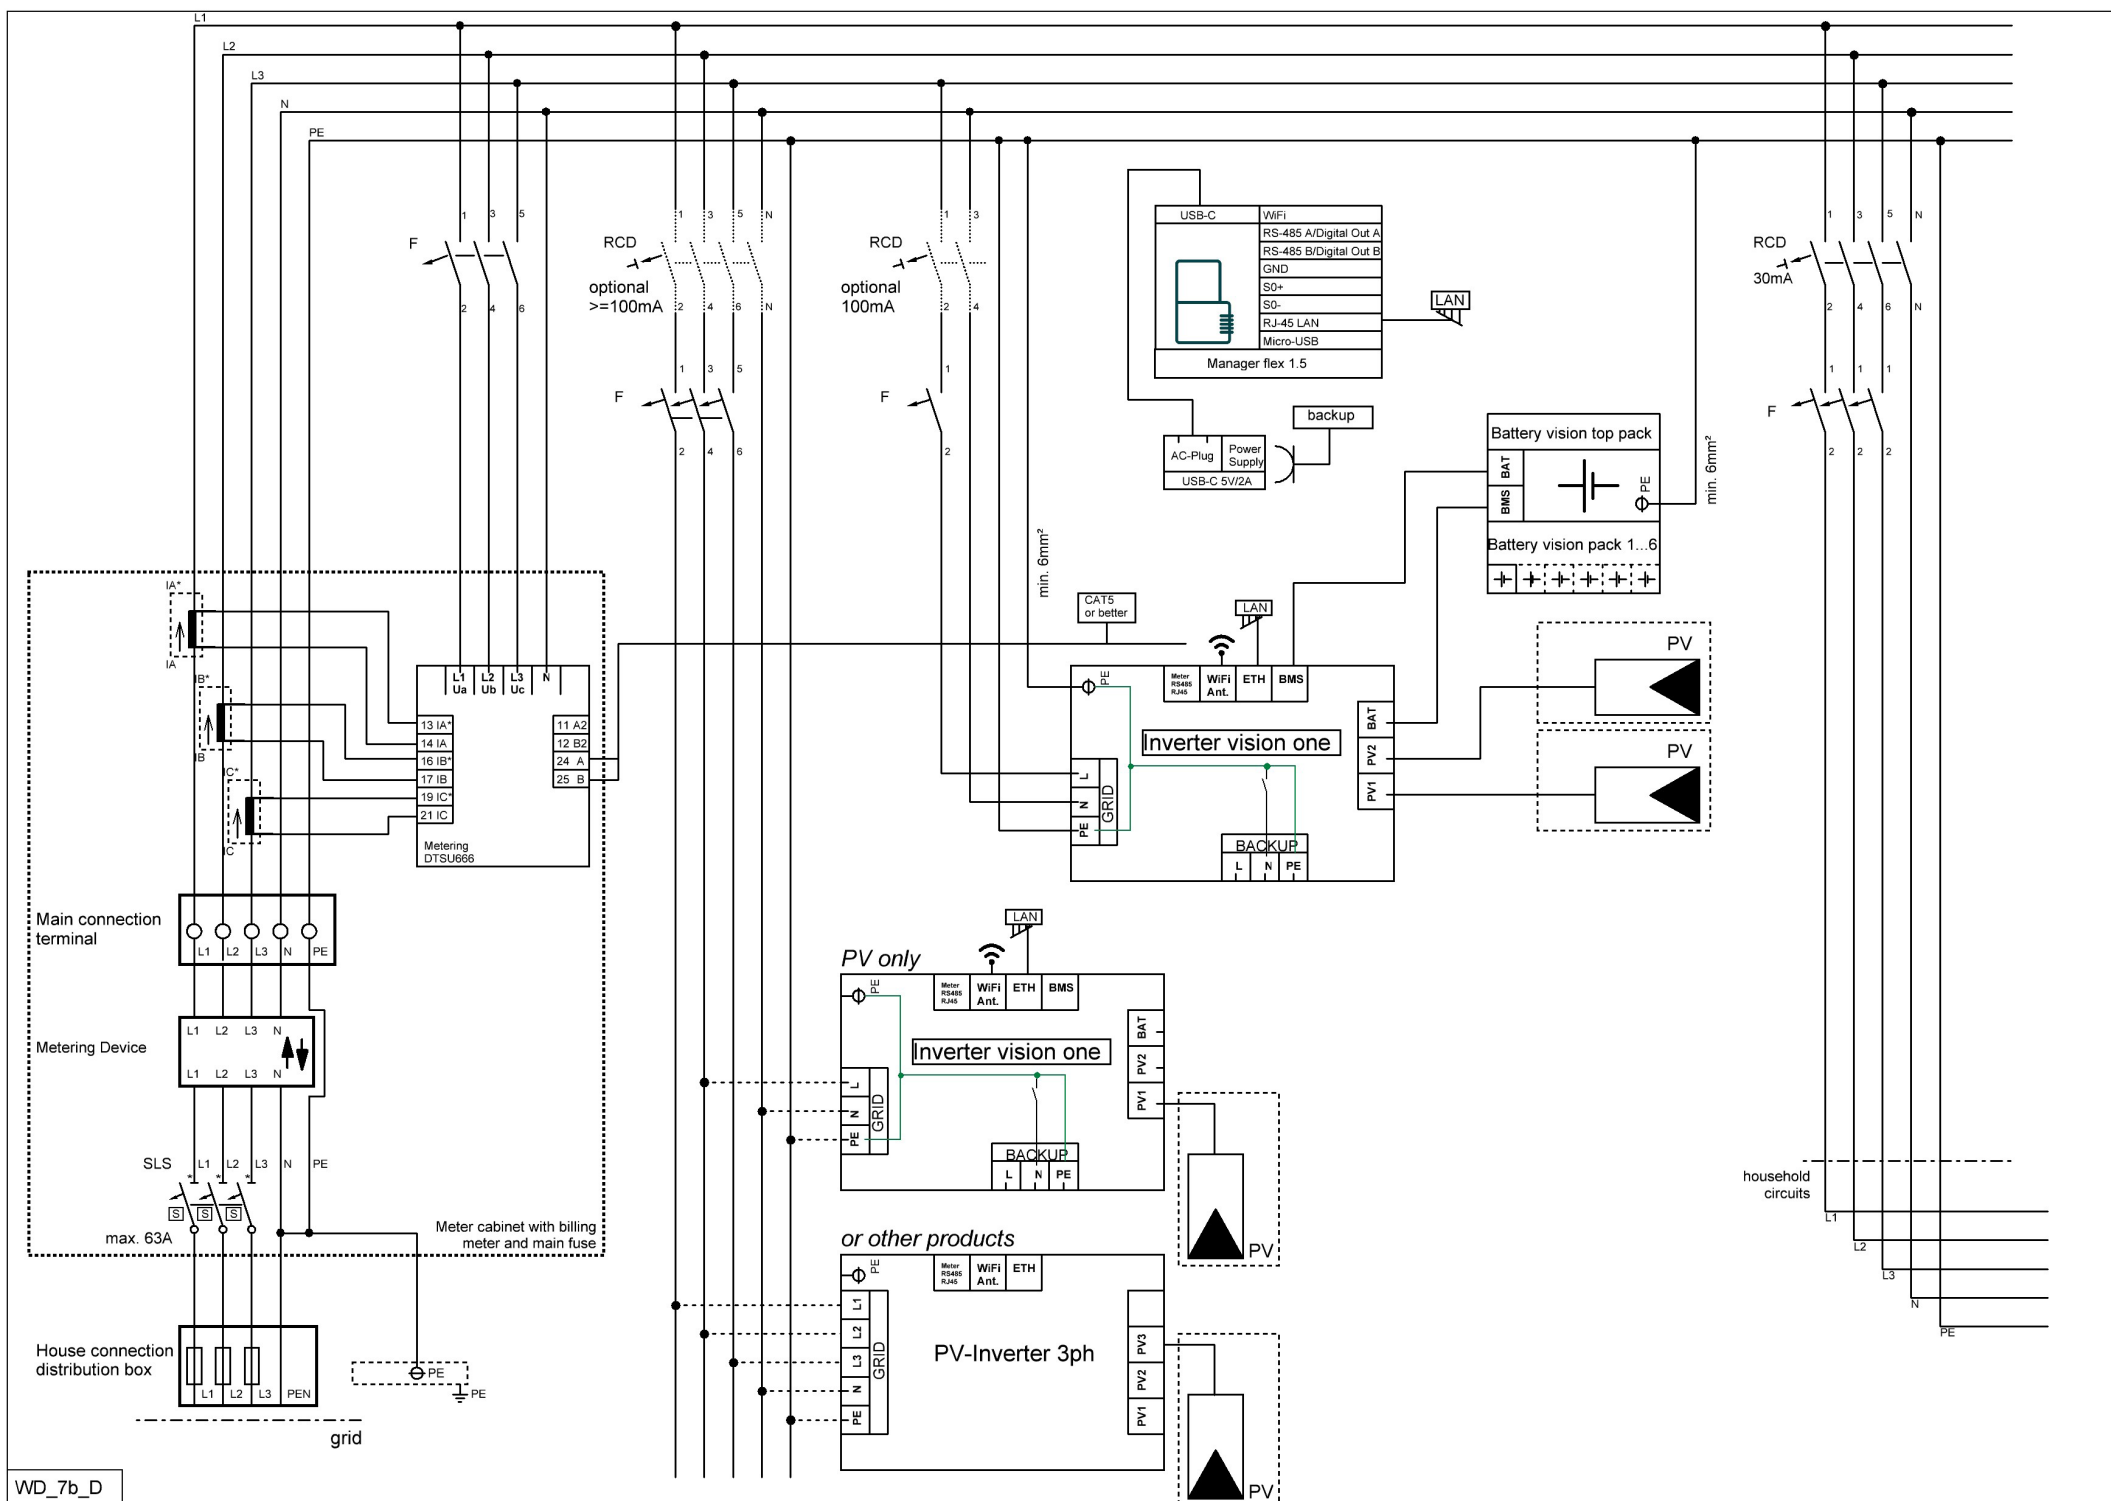

Inverter vision one: installazione trifase, fotovoltaico, accumulo e backup

Inverter vision one: installazione trifase in retrofit solo accumulo in AC

Inverter vision one: installazione trifase solo fotovoltaico

Inverter vision one: installazione trifase in retrofit, fotovoltaico, accumulo e backup
