

Certificate

of Compatibility for the following BRC Solar optimizers

Power Optimizer M600-E

Power Optimizer M700-E

Power Optimizer M605-M

with the inverters from **Solarwatt GmbH**.

The final and approved system configuration of each inverter type is provided in the inverter checker and must be verified there.

To confirm trouble-free operation, standardized compatibility tests were carried out. These are repeated at regular intervals with the inverter manufacturers' latest product portfolios to ensure ongoing compatibility.

We hereby confirm that the tests were conducted without any issues in accordance with the standardized test procedure and that the use of the optimizers has no impact on the fundamental functions or safety-related features of the Solarwatt GmbH inverter. The proper and safe operation of the system is ensured at all times without restriction.
